HOROSCOPES
By Holiday
FRIDAY, JULY 31, 2015
ARIES (March 21-April 19). Having dealt with uncertainty before, you are now more able to deal with uncertainty in a different area of life. This is the ability that makes you a superhuman!
TAURUS (April 20-May 20). You've made indelible memories in the mind of another without trying at all. So why start trying now? Perhaps the work you do to make an impression would best be applied to your own enjoyment.
GEMINI (May 21-June 21). You're so capable that lazy people may try to rely on you for everything they need. That's why saying "no" is a sanity saver. Happiness is doing only what you really want to do.
CANCER (June 22-July 22). Rare and magical happenings will touch your personal life. Preserve the sacred nature of this by refusing to overanalyze or even talk very much about it.
LEO (July 23-Aug. 22). There are times when you grow so world-weary that you believe you've seen it all. That's what makes days like today so special -- the grandeur of the undiscovered unfolds before you.
VIRGO (Aug. 23-Sept. 22). Sometimes the game changes after you make a move, but today it changes before you make the move. So hang back, watch the other players, stay aware, and be ready to act on opportunity.
LIBRA (Sept. 23-Oct. 23). Another lovely thing about you is that when people aren't treating you right, you tend to look at your own behavior first. Did you misstep? Is there something you could have done differently? This is the winner's way.
SCORPIO (Oct. 24-Nov. 21). There's nothing quite so inspiring as seeing others doing something similar to what you'd like to be doing (but not nearly as well as you could do it).
SAGITTARIUS (Nov. 22-Dec. 21). Seek not fame or fortune, as they bring only fleeting pride compared to the more lasting confidence that comes with building your character. Strive instead to become better, wiser and more loving.
CAPRICORN (Dec. 22-Jan. 19). Once you put your mind to it, you're unstoppable. So the question is: How do you put your mind to it? Visuals help. Inspiring role models help. High stakes help. Assign rewards and consequences.
AQUARIUS (Jan. 20-Feb. 18). Wealth flows to those who provide great value to others. It also flows to those who manipulate and enslave others, though, so keep your eyes open. Don't empower evil by buying into it.
PISCES (Feb. 19-March 20). The luck that drops into your world is a magic key that will get you out of your current bind with a twist and a click. Accept the cosmic gift, say thank you, and move along!
TODAY'S BIRTHDAY (July 31). It will be a year marked by fascination. Prioritize the people, places and interests that spark your curiosity. In August, this spark will turn into a fire. You'll expand your mind through film, books and conversation. Your earning power will be the next thing to expand. Cancer and Aquarius people adore you. December shows you holding hands while crossing a finish line. Your lucky numbers are: 6, 30, 2, 48 and 32.
