HOROSCOPES

SATURDAY, AUGUST 8, 2015

ARIES (March 21-April 19). Not all the interesting stories are sob stories. It will be a real turnoff when people come to you with their woes today. Empathize and then try to find a silver lining you can point out.

TAURUS (April 20-May 20). In the romantic movies, it's hard to get to love, and once the two leads come together, there's only five minutes to the credit role. In real life, getting to love is pretty easy, but keeping it is hard.

GEMINI (May 21-June 21). Being in charge can be fun, but the pressure to come up with plan after plan after plan can be intense. What would happen if another person took the helm for a while? Sit back and see.

CANCER (June 22-July 22). You're a healer today, and so abide by the basics of the Hippocratic oath. Do no harm, help the sick ones, and be discreet about the whole business. Privacy is an undervalued virtue these days.

LEO (July 23-Aug. 22). It makes no sense to fight for love. Love for love. That's the only way. You and a friend will join arms against the monstrous complexities of modern romance.

VIRGO (Aug. 23-Sept. 22). There's a time and a place to seek feedback -- this is not it. You can do without their observations. Your instincts are keen enough, and what's right for you will be totally unique. Don't invite comment.

LIBRA (Sept. 23-Oct. 23). Listen up -- someone out there is cheering you on. This show of goodwill not only warms your heart, but it also makes you more aware of the people who could use your encouragement.

SCORPIO (Oct. 24-Nov. 21). Health affects everything -- relationships, family, finances, joy and so much more. Anything you do in the name of good health today will have a favorable impact on the rest of your life.

SAGITTARIUS (Nov. 22-Dec. 21). It does no good to wish for a miracle if you don't believe in miracles, wishes or magic in general. When you're low on faith, ask the faith-rich one to do a ritual on your behalf.

CAPRICORN (Dec. 22-Jan. 19). You're the expert on your likes and dislikes. Try to concentrate exclusively on the likes now, because doing so will make you happy and attract favorable results.

AQUARIUS (Jan. 20-Feb. 18). Self-editing can lead you to make the appropriate choices that will increase your social status and opportunities. It also can be a buzz-kill that limits your creativity and enjoyment of life. Use in moderation.

PISCES (Feb. 19-March 20). When the big steps seem too dangerous, unreasonable or impossible, focus on the small ones. You'll get your energy back when you succeed in little ways throughout the day.

TODAY'S BIRTHDAY (Aug. 8). It's a bountiful opening to your year. Money comes this month and love in September. You've thought about moving, but stay put awhile. You'll realize the profound connection you have to the land you stand on. Your strong sense of duty will intertwine with your identity, your destiny and the needs of those around you. Gemini and Taurus people adore you. Your lucky numbers are: 4, 15, 26, 38 and 41.
