The heart of Warren Buffett's Berkshire Hathaway lies in insurance and finance, but a string of massive industrial deals have shifted the balance of the conglomerate's holdings toward industrial and manufacturing firms. Here are select companies that Berkshire Hathaway has acquired, or is seeking to acquire.

Berkshire agreed to pay \$235 per share in cash for Precision Castparts' outstanding stock. Including debt, the deal is valued at about \$37.2 billion.

KBW analyst Meyer Shields said Precision Castparts Corp. may be a cyclical business, but the complicated products it makes are hard for a competitor to match. Shields said Precision Castparts stock had traded as high as \$280 in recent years.

Having More Retirement Accounts is Not the Same as Having More Money.

When it comes to the number of retirement accounts you have, the saying “more is better” is not necessarily true. In fact, if you hold multiple accounts with various brokers, it can be difficult to keep track of your investments and to see if you’re properly diversified.* At the very least, multiple accounts usually mean multiple fees.

Bringing your accounts to Edward Jones could help solve all that. Plus, one statement can make it easier to see if you’re moving toward your goals.

*Diversification does not guarantee a profit or protect against loss.

To learn why consolidating your retirement accounts to Edward Jones makes sense, call your local financial advisor today.
