HOROSCOPES

By Holiday

THURSDAY, AUGUST 13, 2015

ARIES (March 21-April 19). There are some paths you step onto that feel so right, you suspect they are unavoidable. Predestined. The wind carries your chariot style and simultaneously rushes in your face.

TAURUS (April 20-May 20). There are people out there who could potentially resonate with you, like you, love you – if they could only get to you. Put yourself in the public eye in a bigger way.

GEMINI (May 21-June 21). Investigate the options -- there are so many different ways to accomplish your goal. You will be so much more productive than you thought you could be once you find the right system.

CANCER (June 22-July 22). Because you live inside your mind, you don't realize how special it really is. That's why you need people around you like that Pisces and that Capricorn you know who remind you who you are.

LEO (July 23-Aug. 22). You respect your deadlines. Not only that, but you appreciate how the limit pushes and concentrates your talents. Today you'll deliver a powerful presentation and do it on time.

VIRGO (Aug. 23-Sept. 22). Just because you enjoy it doesn't mean it's not work. You'll sweat and toil and smile. To be tired at the end of a day of enjoyment feels so much better than the kind of exhaustion that comes from a joyless day.

LIBRA (Sept. 23-Oct. 23). Today's realization will come like a wakeup call in a five-star hotel: polite and effective. You'll get up and do things differently than you did when you were "asleep."

SCORPIO (Oct. 24-Nov. 21). Your charisma is turned up, and most people can't help but say yes to even your craziest ideas. That means it will be important to keep "no" people around you to keep you grounded and reasonable.

SAGITTARIUS (Nov. 22-Dec. 21). The secret to happiness is simple today. At work, work. When not at work, enjoy your family or have fun doing your own thing -- as long as it's not working!

CAPRICORN (Dec. 22-Jan. 19). Some of the fun will have to do with a live performance. If you're not up to it, make yourself go anyway. Everything will be vivid and memorable in person, so don't cheat yourself by staying in with the remote.

AQUARIUS (Jan. 20-Feb. 18). Judging by certain comments that are aimed at you, it might be hard to tell that family members are actually on your side. The only way to get past this gracefully is to take the high road.

PISCES (Feb. 19-March 20). Pay back old debt, or give back by teaching an intern or mentoring a lower-level employee. Your best wins come when you are merely showing others how to be successful.

TODAY'S BIRTHDAY (Aug. 13). There's wild fun at first, but in the weeks to come, this solar return also brings lessons in patience, compassion and kindness. Relationships will grow in tenderness through the end of the year. Your whimsical idea in September will be a moneymaker. Family members will help one another reach success -- you taught them this. Cancer and Aquarius people adore you. Your lucky numbers are: 5, 50, 14, 39 and 48.
