Employment 335

Employment 335

RIVER POINT FARMS,
America's largest grower, packer, shipper and processor of onions, has an immediate opening for a Maintenance Technician. River Point Farms office is located in Hermiston, Oregon. This position comes with full benefits, a competitive wage - \$25.00 - \$30.00 per hour DOE, and a relocation package.

Description:
Responsible for preventative maintenance, troubleshooting, repair, fabrication, installation, and start-up of equipment throughout the plant.

Major Responsibilities:
• Perform root cause analysis of breakdowns and implement corrective actions
• Installing, troubleshooting, and maintaining advanced electrical, computer and PLC systems (Allen Bradley, HMI)
• Troubleshoot electrical equipment using test equipment, circuit diagrams
• Responsible for adjusting machinery and equipment, start-up and testing, renovating and restoring, bearing and seals
• Responsible for performing electrical maintenance on all plant equipment to include 480V/240V/120V power systems and making necessary electrical repairs as needed
• Responsible for completing repairs in a timely matter; goal is to maintain the highest level of operational readiness
• Responsible for ensuring that all equipment changes, modifications and repairs are conducted and are in safe operating condition
• Prepare written maintenance instructions, records, and procedures
• Maintain accurate and timely records
• Maintain, troubleshoot and repair electro-mechanical equipment
• Perform preventive maintenance tasks
Skills/Characteristics Desired
• Strong analytical and troubleshooting skills
• In depth understanding of electrical, mechanical and hydraulic principles and systems
• Ability to read and interpret electrical and mechanical drawings, mechanical blueprints, electrical schematics and operating manuals
• Experience in the use of hand tools, precision measuring equipment, and machine shop equipment
• Accuracy, attention to detail, and strong organizational skills
• Ability to react positively to rapidly changing priorities
• Capable of independently managing multiple tasks with minimal or no supervision
• Good interpersonal skills with the ability to work with diverse groups of people
• Demonstrated initiative and an eagerness to drive continuous improvement
• Low voltage experience required
Education & Experience
• Minimum 5 years maintenance experience, preferably in a food processing environment
• Solid knowledge of basic math to include working with fractions and decimals, solving simple algebraic equations and English to metric/metric to English conversion of numbers
• Must be self-motivated
• High school diploma or GED required; 2 year Technical Degree preferred
• Ability to prioritize with good time management skills
• Flexibility to work any shift as needed
• Communicate effectively in English, both written and verbal
Please email resume to jamie.cimmiyotti@riverpointfarms.com

HOROSCOPES
By Holiday

SATURDAY, AUGUST 29, 2015

ARIES (March 21-April 19). You might not know exactly where you're going or how to get there, but you know people. That's the knowledge that will take you anywhere in the world.

TAURUS (April 20-May 20). There is magic in your conscious choice to give over your full attention to a task or person. You'll handle what's right in front of you brilliantly, mostly because you'll ignore what's behind you.

GEMINI (May 21-June 21). People follow and friend you in real life, and so why wouldn't they do the same in the digital world? To some extent, you already share your good taste and on-trend insights with the world. Now you'll take that sharing to a new level.

CANCER (June 22-July 22). You justly give priority to what pays the bills, and you'll raise or lower that priority according to what's going on with the people you love. Creating fond, fun memories is pretty high on your list, as it should be.

LEO (July 23-Aug. 22). You're always astounded when friends prove that in some ways they know you better (or at least differently) than you know yourself. Understanding is the form of love you're offered this weekend.

VIRGO (Aug. 23-Sept. 22). Some emotions are beyond comprehension, but you still benefit from trying to account for them. Could you write, sing, dance or paint about it? Try. Self-expression can heal!

LIBRA (Sept. 23-Oct. 23). You want to be around people who are smarter than you are. They're hard to find. And when you do find them (beyond them, maybe even hire them), it only proves that you're the smart one.

SCORPIO (Oct. 24-Nov. 21). Your muse is trying to get your attention again, and this time it's not a whisper. No matter how much or little money you make, you won't be sorry you followed your muse.

SAGITTARIUS (Nov. 22-Dec. 21). Work and wait, work and wait - that's getting old. You want faster results, or at least a delicious distraction to make the waiting go by faster. Your wish will be granted.

CAPRICORN (Dec. 22-Jan. 19). You feel like a tourist in someone else's reality, and that's exactly how they feel about being with you. The question is: How far do you want to let them in? Also, are they allowed to take pictures?

AQUARIUS (Jan. 20-Feb. 18). You'll give up what's sweet for what's good for you. You've done this before, and it won't be any easier this time, but the rewards for doing what's right will rush to embrace you.

PISCES (Feb. 19-March 20). With the full moon in your sign, you are even more sensitive, powerful and soulful than usual. The concerns of yesterday will seem very far away as you raft along the ethereal river that floats us all.

TODAY'S BIRTHDAY (Aug. 29). You'll spread joy indiscriminately this year, and those in dire need of a lift will receive it -- you could even save a life. Next month features more time with the one who makes you smile. In November, you'll reaffirm your direction or make an adjustment to the plan. You'll be honored in April and paid in June. Pisces and Sagittarius people adore you. Your lucky numbers are: 36, 41, 22, 13 and 4.
