Candidate must be detail oriented, have excellent computer skills, proficient in Microsoft Word and Excel, comfortable learning new accounting and clinical software systems, and able to work as part of a dynamic team. This position will process accounts payable, monthly contract billings, and provide general administrative support. Hourly wage is \$14.85-\$20.77, DOE. Excellent benefits, including 401K. Please complete online application and upload resume at www.communitycounselingsolutions.org. Position open until filled. EOE.

HIRING FOR CONTROLS TECHNICIAN

Looking for a great place to work? Key Technology, headquartered in Walla Walla Washington, is an international team of professionals serving the food processing and industrial markets with automated inspection and sorting, specialized conveying, grading & sizing and processing/preparation systems. We are currently seeking an experienced Controls Technician.

The ideal candidate should have a minimum of 3 years of work and/or education experience in electrical design and programming (using PLC and HMI devices, systems and software). Firm understanding and application of electrical codes, UL508A and industry control panel standards. Excellent written and oral communication skills is a must, as this position engages directly with customers, sales and engineering teams. Self-starter and able to work independently with minimal supervision.

Responsible for designing, documenting and communicating custom control system projects for Key's food industry equipment. Candidate will design hardware specifications, create electrical schematic drawings, utilize PLI/HMI programming. Efficiently document sequence of operations. Communication can include direct customer dialogue regarding installation and operation procedures. Travel to customer sites in North America and sometimes internationally, about 25% of the time.

We offer a great work environment, competitive wages, medical and retirement benefits and much more! For full job description or complete view of all jobs, access our Internet website at www.key.net. Employment with Key Technology is contingent upon successfully completing a pre-employment drug screen, criminal history, social security, and reference check.
