COMMUNITY COUNSELING SOLUTIONS is a 501(c)(3) corporation serving Oregon in Morrow, Wheeler, Gilliam, Grant, Harney and Lake Counties. We are currently recruiting for an Adult Protective Services Investigator, Quality Assurance, and Eligibility Determinations position for individuals enrolled in Developmental Disabilities programs. This is a combined full-time position that will conduct investigations, ensure the quality of documentation as per the Oregon Administrative Rules (OAR's), as well as determine eligibility to be enrolled in the Developmental Disabilities program within a 6 county area. Qualified candidates must have a Bachelor's degree in human, social behavioral or criminal science and two years of experience in human services, law enforcement or investigative experience, or an Associate's degree in human, social behavioral or criminal science and four years of experience in human services, law enforcement or investigative experience. This individual will investigate allegations of injuries, abuse, and neglect, and will be responsible to ensure protective services, provide comprehensive reports of findings and decisions of whether abuse exists, and develop required actions to prevent further abuse. This position will gather and review documentation to determine if individuals are eligible for the Developmental Disabilities Program by utilizing guidelines provided by OAR's and the Seniors and People with Disabilities Services Division. Qualified candidates must have excellent writing and computer skills and be able to assist the Program Manager in meeting the needs of the community. Salary range is \$36,700 - \$52,900 year, DOE. Excellent benefit package, including 401K. Apply online and upload resume at communitycounselingsolutions.org. Positions open until filled. EOE.

HOROSCOPES By Holiday TUESDAY, OCTOBER 13, 2015 ARIES (March 21-April 19). Today there are so many rumors, hoaxes and generally outrageous untruths out there just itching to be shared with the whole world. Before you repeat or share anything, get more information. TAURUS (April 20-May 20). In a perfect world, the people you interact with understand the value of your time and theirs - it is our most precious resource, after all. You'll probably have to teach others how to be more efficient (and why). GEMINI (May 21-June 21). Sometimes you feel to open your heart to all the love you deserve, but today you want most loved when people make room for you to be by yourself and do your own thing. CANCER (June 22-July 22). Finding your own path is not easy. Often you need a machete to cut back the brush and bramble. The machete of the day will be your words, concise and direct, articulating what you need and desire. LEO (July 23-Aug. 22). Did you wake up less than enthusiastic about what the day holds? It's a similar lineup to yesterday, and you're getting that been-there-done-that feeling. A Sagittarius can help you change it up. VIRGO (Aug. 23-Sept. 22). If you know the motivation of others, you'll find it much easier to manage them - and you'll have to today. Try to learn what's behind their questions and what's behind what's behind their questions. LIBRA (Sept. 23-Oct. 23). Your smile is a gift to anyone you bestow it upon. You'll give that gift over and over today to loved ones and strangers alike. This makes the world a little brighter -- no small accomplishment. SCORPIO (Oct. 24-Nov. 21). Tucking away your true emotions will only cause stress and strain. Anyway, the astute see how you're feeling no matter what you do to mask it. You may as well be honest and free today. SAGITTARIUS (Nov. 22-Dec. 21). Good people around you will make you happy. Bad people around you will give you something, too: experience mostly. The bad ones are what make you more sophisticated. CAPRICORN (Dec. 22-Jan. 19). If you tell yourself "don't worry," you may or may not take your own advice. But if you direct yourself to an activity that makes you feel comfortable and safe, you'll naturally forget to worry. AQUARIUS (Jan. 20-Feb. 18). The beginning stages of any project are among the most challenging because it's so easy to give up when you don't have much time or effort invested. But there's a reason you chose this. Don't give up. PISCES (Feb. 19-March 20). You can do hard things. One of your great talents is in not recognizing much of a difference between hard and easy. It's just you, handling what needs to be handled right in front of you. TODAY'S BIRTHDAY (Oct. 13). Your wishes come true this year, provided they are reasonable, actionable and specific. Hey, that's something! Give it your best in November because hard work will pay off immediately. January and June are dreamy and adventurous months. Your communication lands profitably in November and May. Cancer and Scorpio people adore you. Your lucky numbers are: 16, 4, 44, 38 and 50.

THE DEPARTMENT OF SCIENCE AND ENGINEERING has a mission to objectively address scientific and engineering issues that impact the Treaty Rights and Trust resources of the CTUIR. The CTUIR Department of Science and Engineering is seeking an individual with several years of experience in preparing and analyzing environmental samples using ICP-OES, GC-MS, or UV-Vis spectrophotometer. Experience with EPA methods 3010, 3051, 3052, 3060, 3510, 3540, 3546, 6010, 8260, and 8270 is preferred. Applications must be post marked by October, 19 2015 for more information visit http://ctuir.org/about-us/employment-opportunities.
