HOROSCOPES

By Holiday

WEDNESDAY, OCTOBER 21, 2015

ARIES (March 21-April 19). Your own happiness isn't even on the list today. What's up with that? Maybe it was just an oversight on your part.

TAURUS (April 20-May 20). Reach out, and you'll be immediately accepted. This kind of thing doesn't happen every day, so take advantage of the special social stardust sprinkled over today's efforts.

GEMINI (May 21-June 21). You're creative, and therefore many options seem feasible to you. Luxury of choice isn't always the best thing for your art.

CANCER (June 22-July 22). Today gives you the feeling that your destiny has already been determined. It has -- mostly by you.

LEO (July 23-Aug. 22). The uncontrollable situation rears its head again. Dwelling on it has the potential to conjure the nervous and frustrated energy in your belly.

VIRGO (Aug. 23-Sept. 22). Your friends have their opinions, none of which apply to you in the straight-to-the-heart and logical ways that would cause you to act immediately.

LIBRA (Sept. 23-Oct. 23). Anxious energy looks for a focus. Don't give it one. Dissipate uneasy feelings instead through activity.

SCORPIO (Oct. 24-Nov. 21). On the cusp of the old you and the new you, you are as mysterious as a midnight moon.

SAGITTARIUS (Nov. 22-Dec. 21). You could be the center of attention if you wanted to be -- tempting today, for sure.

CAPRICORN (Dec. 22-Jan. 19). So the new road opening up doesn't look like it's going to be a pleasant, paved walk in the park.

AQUARIUS (Jan. 20-Feb. 18). The ego is a gold fob watch, hypnotizing you into believing that other people are your problem.

PISCES (Feb. 19-March 20). No need to hurry. You will get where you need to be at the perfect time regardless of what the clock says.

TODAY'S BIRTHDAY (Oct. 21). When the signs don't point to the way and the sun doesn't shine on the way and there is no one around to usher you to the way, you have to invent the way.
