HOROSCOPES

By Holiday

SATURDAY, OCTOBER 24, 2015

ARIES (March 21-April 19). The usual way: When all is said and done, more gets said than done. Your way: Silently and with razor-sharp intention, do it. Then walk away. If anyone is talking about it, it won't be you.

TAURUS (April 20-May 20). If you don't get it on the first try (or the second, third or 70th try), chalk it up to building your character. It's one of the few things you can build that will endure.

GEMINI (May 21-June 21). Maybe you like someone more than you care to admit or more than is appropriate for your current position. Have no fear. That person who makes you nervous will also bring out your best.

CANCER (June 22-July 22). You think of love as being sweet, kind and undemanding. True, but love can also be tough or even harsh. Sometimes love demands that we step up and fulfill our potential.

LEO (July 23-Aug. 22). Your style is to go in with a formal tone and keep that up until you're sure that respect has been paid. Then you'll ever so subtly test the boundaries of casualness.

VIRGO (Aug. 23-Sept. 22). You're right. You know it. The question is how far you should push the things you're right about. Too far, and you'll alienate the others. Not far enough, and your conscience will nag you.

LIBRA (Sept. 23-Oct. 23). People tend to picture freedom in extremes of wealth or homelessness, but there are ways of being freer in your life that don't involve being rich or without responsibility.

SCORPIO (Oct. 24-Nov. 21). You're so intuitive and aware that you will read more meaning into a situation than those directly involved might care to. Your insights are accurate, though best kept to yourself for now.

SAGITTARIUS (Nov. 22-Dec. 21). Top photographers insist that it's the eyes behind the camera and not the camera itself that make for a great image. This metaphor will be reflected in the brilliant results you get today with minimal equipment.

CAPRICORN (Dec. 22-Jan. 19). Accept that there will be some glitches, and go through them calmly with your head held high. Don't waste your breath apologizing for minor offenses. No one expects you to be infallible, and you shouldn't, either!

AQUARIUS (Jan. 20-Feb. 18). As you concentrate on building your team and increasing your number of fans, it will feel like you're giving, always giving. Are you giving too much? At this point, you can't give too much.

PISCES (Feb. 19-March 20). Buckle up because you're about to hear (ad nauseam) about the astounding accomplishments of others. Are you surprised that this does not ignite your spirit of competition? The reason is that you're in a league of your own.

TODAY'S BIRTHDAY (Oct. 24). There's no way to anticipate what tricks and tools you'll need in this year of surprises, but you're ready to give your superhero all. What you do for love at the end of the year will have magical results. Family bonds in fun and mischief. Your social swirl gets interesting with the additions that February brings. Cancer and Taurus people adore you. Your lucky numbers are: 30, 22, 27, 49 and 5.
