HOROSCOPES By Holiday

TUESDAY, OCTOBER 27, 2015

ARIES (March 21-April 19). There's a shift happening inside you. Your interest in one subject wanes while your interest in another waxes. Much will be illuminated in the next 48 hours.

TAURUS (April 20-May 20). It's pointless and stressful to argue with what is. When instead you agree, readily accepting what you can't change, suddenly new, invigorating energy will sweep through your scene.

GEMINI (May 21-June 21). The best partnerships might not make your life easier at first. The collaboration might take more work than you expected. But once you figure out how to groove with one another, the results will be brilliant.

CANCER (June 22-July 22). Strong emotions make you more willing to lose the familiarity and comforts of the past. This is your admission price to a better future. The progress you desire is worth the sacrifice.

LEO (July 23-Aug. 22). There's nothing you fear more today than the possibility of regret. That's why you'll make the bold choice and risk playing the fool. Your motto now: Go big or go home.

VIRGO (Aug. 23-Sept. 22). You'll lead with your principles, practice sportsmanship and maintain high standards for even the seemingly small details of the day. It's becoming easier and easier for you to be extraordinary.

LIBRA (Sept. 23-Oct. 23). Favors are tricky. Small ones work best. Don't accept a favor that requires great effort or expense from another, as it will only cost you dearly in the end.

SCORPIO (Oct. 24-Nov. 21). You're getting to know the intricacies of a process. The more you learn the sweeter your experience. This education will help you take things to a whole new level.

SAGITTARIUS (Nov. 22-Dec. 21). Don't wait to feel grateful or lucky. Let it happen regardless of external circumstances. The fortunate feeling will come first, and the good fortune will come second.

CAPRICORN (Dec. 22-Jan. 19). A little more effort, a little more patience - that's what it will take to turn this experiment into a success. You can do this. Breathe deeply, coerce a smile from yourself, go at it again.

AQUARIUS (Jan. 20-Feb. 18). If you keep letting them make the rules for you, they'll keep doing it. You have more freedom than you are owning. Claim it now. It's the only way to get where you want to go.

PISCES (Feb. 19-March 20). You'll flex your mental muscles. You're a problem-solving machine today. It will get to the point where you'll think this is so much fun, you'll actually go looking for problems to solve.

TODAY'S BIRTHDAY (Oct. 27). It's like the wind is at your back most of the year. You'll get the sense that you're collaborating with mysterious forces and powers far beyond what one person could muster. You'll revel in social attention at the end of the year. In early 2016, you'll be too involved in a special interest to notice such things. Cancer and Sagittarius people adore you. Your lucky numbers are: 11, 42, 28, 19 and 33.
