DEAR ABBY

Boyfriend takes distrust to frightening extremes

JEANNE PHILLIPS Advice

Dear Abby: I'm madly in love with a man I've been dating for almost a year...

Hasn't it occurred to you that this may be the reason two wives left him?

Dear Abby: I am older than my wife by 10 years. We have been married six years...

I decided to have a vasectomy because my wife was determined to have a baby without regard for my wishes...

though the cost of the procedure is more than we can afford right now. I believe we have other, more important issues to put the money toward.

This is a hot topic, and it always leads to fights. I don't know if our relationship will last much longer if it isn't resolved.

Anguished In Austin

Dear Anguished: Put that vasectomy reversal on hold. What you and your wife need far more is to resolve the problems in what is clearly a very troubled marriage.

Dear Abby: One person handles the money for our family reunion every year.

only one person knows how much comes in and how much is spent. We all would like copies of the treasurer's report, but he refuses.

Puzzled Penny In North Carolina

Dear Penny: No, it isn't. If you think this relative may be behaving dishonestly, the rest of the family should agree that another individual will receive the monies for the next reunion...
