HOROSCOPES By Holiday

FRIDAY, OCTOBER 30, 2015
ARIES (March 21-April 19). Your choices are likely to reflect the great ambition that is your heart's desire. Know that what you want doesn't have to come at the expense of other things that are important to your well-being.
TAURUS (April 20-May 20). The requests coming your way are not all as important or feasible as those making them assume. Lucky for them, you are very good at filtering what you hear, knowing what's essential and prioritizing accordingly.
GEMINI (May 21-June 21). You can be counted on in a crunch, and that's one thing people have come to know you for. It explains the flurry of activity today. It's good that people trust you and need you. It's making you stronger.
CANCER (June 22-July 22). There's a certain person you want to make happy, but you haven't quite hit on the magic combination for doing so. Too much experimentation in this regard is not advised. At this point, you're better off just to ask.
LEO (July 23-Aug. 22). Relationships need on-site care. Insecurity melts as soon as you meet face to face. So save all of your important communication and your best stories for when you're physically in the same room.
VIRGO (Aug. 23-Sept. 22). People will ask you things that, quite simply, are not their business. Whether you want them to know is up to you. Once you open the door, you'll set a precedent. It's just something to keep in mind.
LIBRA (Sept. 23-Oct. 23). Rumination is a dangerous habit that must be broken in order for your happiness to return. Luckily, today it won't take much to distract yourself from negative mental cycles.
SCORPIO (Oct. 24-Nov. 21). You can't force people to love or not to love. Love won't be pushed around. It does its own thing. Love will flaunt its autonomous nature at you. You'd be foolish to argue with that.
SAGITTARIUS (Nov. 22-Dec. 21). Just when you thought you were dealing with mature adults, someone calls "dibs" and gets a prime position that really should have gone to you. No matter. Where you land will be even better.
CAPRICORN (Dec. 22-Jan. 19). Put your question into a search engine, and viable, helpful options will come up. Just know that study can only take you so far. To get to your goal, you'll need real-life application, trial and error. Especially error.
AQUARIUS (Jan. 20-Feb. 18). You'll follow your heart, your gut, your itch to find the work you love. You won't find it today, but you're getting warmer. Read the clues. Keep track of how different tasks make you feel.
PISCES (Feb. 19-March 20). It's fun to pretend you're someone else, and in a weird way, that leads to learning more about who you really are. You'll be a master of humor and social graces tonight.
TODAY'S BIRTHDAY (Oct. 30). You refuse to let anything hold you back. You'll see the opportunities, overcome the obstacles and gather a group of supportive souls along the way. Love is prime on your agenda, and improvements in how you see yourself accompany the turn of the year. Financial breakthroughs come in November, December and May. Cancer and Virgo people adore you. Your lucky numbers are: 28, 1, 19, 44 and 35.
