HOROSCOPES

By Holiday SATURDAY, OCTOBER 31, 2015

ARIES (March 21-April 19). Send your imagination soaring. At the intersection of fantasy and reality will be a truly memorable bit of fun that could only happen under tonight's rather perfect circumstances.

TAURUS (April 20-May 20). You'll be ready for the spotlight to swirl in your direction, not because you formally prepared for it, but because you're so filled with confidence and levity now.

GEMINI (May 21-June 21). The dreams of yesteryear are what make tonight so sweet. It's as though someone is answering your long-ago wishes in ways you never could have imagined at the time.

CANCER (June 22-July 22). Hesitation is for those who fear making mistakes. Halloween reminds you not to fear. Go ahead. While the insecure wait, you'll get busy making mistakes, learning from them and becoming a master.

VIRGO (Aug. 23-Sept. 22). Each person you interact with gets a different version of you. (Everyone is this way to some extent.) You'll have an increased awareness of how a certain person makes you feel about yourself.

LIBRA (Sept. 23-Oct. 23). Your ancestry will play into your choices tonight -- where you go, how you dress, whom you talk to. It's as though you're being whispered to by the ones who walked there before you.

SCORPIO (Oct. 24-Nov. 21). You'll have a heartfelt exchange with someone who, like you, is a giver. There's more of this to come -- good! You deserve to be with a person who is going to meet you at least halfway.

SAGITTARIUS (Nov. 22-Dec. 21). You'll be energized by your accidental place in the events of the day. The principles of randomness and chance will favor you restoring your belief in your Jupiter-ruled guidance system.

CAPRICORN (Dec. 22-Jan. 19). You've hit your tolerance with being correct and tasteful in all matters. A wild, adventurous spirit takes hold. This will be reflected in your costume and/or approach to the night's shenanigans.

AQUARIUS (Jan. 20-Feb. 18). It's the details that make your efforts effective and your night one for the ages. When you share your astute observations, someone will think you're either a psychic or a mind reader.

PISCES (Feb. 19-March 20). Not all ghosts are warning, see-through creatures. Some are axes, acts of the past that come back to haunt you or desires that keep showing up unannounced and uninvited in your being.

TODAY'S BIRTHDAY (Oct. 31). This year features more time with people you're excited to be with -- people who make you laugh and think differently. A new role in November develops into an exciting venture of 2016. Travel will change your worldview. A sacrifice will free your options, and by May you'll find this was well worthwhile. Cancer and Leo people adore you. Your lucky numbers are: 39, 48, 2, 19 and 6.
