HOROSCOPES By Holiday

TUESDAY, NOVEMBER 10, 2015

ARIES (March 21-April 19). Regarding the thing that was off-limits to you before -- it's worth another shot. Your luck has changed and so have the surrounding circumstances. This is likely about love.

TAURUS (April 20-May 20). By focusing on the details you could improve the big picture markedly, or you could unnecessarily complicate your life by reading too much into things. The trick will be knowing when to pull back.

GEMINI (May 21-June 21). The one who is sensitive to your needs isn't just being polite. He or she is showing you a quiet, noble version of love. Make sure you don't take for granted those who are inclined to serve you.

CANCER (June 22-July 22). You have the guts to move on from a job that no longer holds intrigue, or a relationship that stifles you. Change doesn't have to be a drawn-out process -- it can happen in a snap.

LEO (July 23-Aug. 22). When things get chaotic, you're the one who can calm it all down. Start by making and guarding a peaceful place inside yourself. Inner tranquility will lead to tranquility in the world.

VIRGO (Aug. 23-Sept. 22). There's a fine line between saving, collecting and hoarding. Look for better ways to use valuables -- ways that will energize you and cause a sense of flow in your life.

LIBRA (Sept. 23-Oct. 23). Don't waste a minute wishing you were someone else or that you had anything different from what you currently possess. What if you believed instead that everything you are and have is right, useful and perfectly suited to this day?

SCORPIO (Oct. 24-Nov. 21). Go on and dedicate yourself to a cause that's greater than you. The happy side effect will be personal success that, if you had aimed directly for it, would have eluded you.

SAGITTARIUS (Nov. 22-Dec. 21). Be resilient. Don't ruminate. Blunders and absurdities are to be expected. The ability to forget them as soon as possible is among the most useful of human gifts.

CAPRICORN (Dec. 22-Jan. 19). What you do when you're in a lazy mood can help you for all the other moods. There's something you once thought of as a habit of idleness that is turning out to be quite a wellspring of inspiration.

AQUARIUS (Jan. 20-Feb. 18). It's hard when you have to do it all by yourself, but that's the situation that teaches you the most, too. You'll be stronger because you had to pull yourself up and make something out of nothing.

PISCES (Feb. 19-March 20). You will be dealt the perfect cards today; you just have to play them right. Believe in the integrity and value of your offerings. Your best move will be born out of high self-esteem.

TODAY'S BIRTHDAY (Nov. 10). The end of the year brings such a departure from life as usual that you'll come back and view your lifestyle with fresh eyes. January is busy with improvements and upgrades. A new financial channel opens in March. The spring brings healing for your heart and a past wrong will be made right. Pisces and Taurus adore you. Your lucky numbers are: 4, 15, 28, 30 and 1.
