Former West German Chancellor Helmut Schmidt dies at age 96

By GEIR MOULSON Associated Press

BERLIN (AP) — Helmut Schmidt, the chancellor who guided West Germany through economic turbulence and Cold War tensions, stood firm against a wave of homegrown terrorism and became a respected elder statesman, died Tuesday. He was 96.

Schmidt died at his house in Hamburg, according to German weekly Die Zeit, of which Schmidt was a co-publisher.

"We have lost a sharp-witted adviser, a trusted companion and a good friend," *Die Zeit* said in a statement. "Until recently he contributed to the editorial team with his analyses, his commentaries and his interviews about current affairs."

Schmidt's friend and doctor Heiner Greten told Bild newspaper the former chancellor died with partner Ruth Loah and daughter Susanne at home with him.

"He died the way he wanted: in his bed at home and fully without pain," Greten said.

In this May 29, 1975 file photo then West German Chancellor Helmut Schmidt, left, meets with U.S. President Gerald R. Ford in Brussels. Helmut Schmidt died Nov. 10. He was 96.

Schmidt, a center-left Social Democrat, led West Germany from 1974 to 1982. He was elected chancellor by lawmakers in May 1974 after the resignation of fellow Social Democrat Willy Brandt, triggered when a top aide to Brandt was

unmasked as an East German agent. Sigmar Gabriel, chairman of the Social Democrats and Germany's vice chancellor, recalled Schmidt delivering his last big speech at an SPD party convention in 2011.

Gabriel said he reminded

party members that Germany has "a responsibility to hold Europe together."

"I think that in these days and weeks, where some are disappointed by the developments in Europe, these words will stay in our memory," he told reporters outside the SPD's Parliamentary offices.

"He was someone who, I believe, will remain for generations of Germans one of the most significant statesmen of our country.'

As a new leader, Schmidt brought a sometimes abrasive self-confidence and his experience as West Germany's defense, finance and economy ministers to the job, which he took during the economic downturn that followed the 1973 oil crisis.

Schmidt's chancellorship coincided with a tense period in the Cold War, including the Soviet Union's 1979 invasion of Afghanistan.

Born Dec. 23, 1918, the son of a half-Jewish school teacher in the northern city of Hamburg, Schmidt joined the Hitler Youth when his rowing team was included in the Nazi youth organization, but was

suspended at age 17 — "probably because my griping got on their

nerves. Drafted as a soldier during World War II, Schmidt's unit was deployed in the Soviet Union in 1941. He was sent to the western front at the end of the war and taken as prisoner by

released that August. Schmidt later said that, as a young soldier, he had recognized the Nazi regime's lunacy but not its criminal

British forces in April 1945. He was

nature at first. Schmidt entered West Germany's parliament in 1953, where he earned the nickname "Schmidt the Lip," a tribute to his sharp-tongued debating

It was not easy for Schmidt being between the world's two superpowers — the United States and the Soviet Union. Schmidt's chancellorship ended with his ouster in a parliamentary vote in October

After stepping down as a lawmaker in 1987, Schmidt devoted himself to working as co-publisher of the weekly newspaper *Die Zeit*.

Television > Today's highlights

Marcia Gay Harden stars in "Code Black"

Supernatural WPIX 6:00 p.m.

Curtis Armstrong reprises his role as Metatron in this new episode.

Castiel (Misha Collins) believes Metatron may be able to help stop the Darkness. However, Metatron isn't all that interested in helping the Winchesters (Jared Padalecki, Jensen Ackles).

Rosewood

111 KFFX KPTV 8:00 p.m.

Morris Chestnut is back as brilliant private pathologist Dr. Beaumont Rosewood when this drama returns to prime time. With an average of more than seven million viewers so far, the show has already earned a full-season order from Fox.

Law & Order: Special Victims Unit **25** KNDU 9:00 p.m.

A case takes an emotional toll on Sgt. Dodds (Andy Karl) as the team searches for a missing teenage girl in this new episode. As it turns out, DNA evidence could provide a crucial lead in finding the girl's abductor. Mariska Hargitay and Ice T also star.

Cutthroat Kitchen FOOD 9:00 p.m.

Chefs Josh Elkin, Eric Greenspan, Kelsey Nixon and Justin Warner face a Swedish pancakes challenge in a Viking boat in a new episode of this popular series. Later, the remaining chefs feel the bass on a turntable as they make bouillabaisse.

American Pickers

HIST 9:00 p.m.

Frank Fritz and Mike Wolfe once again invite viewers along for the ride as they seek out hidden treasures in this new episode. The guys get a lead on an ultra-rare VW Beetle that turns out to be a true barn

Black-ish

42 KVEW KATU 9:30 p.m. Parents Andre "Dre" (Anthony Anderson) and Rainbow (Tracee Ellis

Ross) wonder if their four kids have it a little too good in this comedy. They realize that there may be a price to pay for giving their children more than they had growing up.

Code Black

19 KEPR KOIN 10:00 p.m.

Renowned for her work in the trauma arena, Residency Director Dr. Leanne Rorish (Marcia Gay Harden) mentors a group of first-year residents in this new episode. They learn about life and death in one of the busiest and most notorious ERs in the world.

Paranormal Witness SYFY 10:00 p.m.

This new episode takes a look at the history of an ancient outpost in Afghanistan that had seen battle over centuries of war. Find out what happened when eight U.S. Marines were stationed there in the summer of 2009.
