ARIES (March 21-April 19). Finding one answer will open the door for many new questions. For this reason, it's very important that you send your curiosity down a path you truly want to be involved with for the long haul.

TAURUS (April 20-May 20). While today's circumstance isn't the best you could have hoped for, it's also not the worst you've known. The next step is to determine what is necessary, do that and only that. Moderate action will bring success.

GEMINI (May 21-June 21). The fear of rejection is practically universal. That's why people admire those who are willing to put themselves on the line. That's the kind of person you are today.

CANCER (June 22-July 22). The two things you most need from today's endeavors -- joy and challenge -- may come from the same activity. Go where you feel encouraged to work and play harder than usual.

LEO (July 23-Aug. 22). What you (SET ITAL) can (END ITAL) do yourself you (SET ITAL) will (END ITAL) do yourself. It's the fast, efficient, empowering way. It's not right for every day, but your confidence and energy are high so make the most of it.

VIRGO (Aug. 23-Sept. 22). There's no reason to approach relationships the same way you did yesterday. Put a twist in it. You've already proven you can be consistent. Now prove you can be fun.

LIBRA (Sept. 23-Oct. 23). Here's a way to stay stress-free: Plan for mistakes. Leave early in case the directions are wrong. Make a contingency kit in case the others don't show up with all the supplies they are supposed to. Preparation will make life easier.

SCORPIO (Oct. 24-Nov. 21). You'll play off the energy of others - that is, as long as you're around people with the kind of energy that makes you playful. And if you're not, why is that?

SAGITTARIUS (Nov. 22-Dec. 21). Some questions lead to quick fixes, errands accomplished, problems solved. Other questions are rabbit-hole portals to entire alternate universes. Alice was never trying to go to Wonderland; she just landed there.

CAPRICORN (Dec. 22-Jan. 19). When your friend is excited about something, you try to find something in it that you can be excited about, too, even if the subject isn't initially that interesting to you. That's the kind of friend you are.

AQUARIUS (Jan. 20-Feb. 18). Before you try to fit in with a group, make sure you know why they are a group in the first place. What are their common bonds and values, and do you share them? If not, do you want to?

PISCES (Feb. 19-March 20). You want to share creativity, laughter and love, so go where the social energy is warm, if a little off-kilter. You could cause a stir in a fun group of misfits.
