PHOEBE AND HER UNICORN

BY DANA SIMPSON

Hey, Marigold.

Hello.

Is something wrong?

Terribly. I have...

A SONG IN MY HEART.

I call that having a song stuck in my HEAD.

How very human.

Music lives in the heart, not the head. It is a DEEP and MAGICAL FORCE.

That's bad?

It is stuck there and plays on a loop.

Nananananananana BAT-MAAAAAAN

Great, now I'm gonna have that stuck in MY heart.
