**HOROSCOPES**

**By Holiday**  
SATURDAY, NOVEMBER 21, 2015  
**ARIES** (March 21-April 19). If you agree to another person's qualifications, you'll lose. Take charge of the game. Make your own qualifications. When it's your moment, don't let anyone else control the scene.  
**TAURUS** (April 20-May 20). Yes, time is money, but it's so much more valuable than money, really. In the end, no dollar amount can buy a person more time. So to whom will you give your time? That person is lucky indeed.  
**GEMINI** (May 21-June 21). Loved ones will go out of their way to assist you, mostly because you are warm, open and appreciative every time they do. Helping you is rewarding for them. You make yourself fun to help.  
**CANCER** (June 22-July 22). Your cosmic gift: objectivity. Give some thought to how you'd like to be perceived, and work on promoting this aspect of yourself in all of your dealings.  
**LEO** (July 23-Aug. 22). This day won't seem special at first, but it is. It starts with your appreciation for the gift of life. When you think of the lives of others, you feel mighty grateful that you get to live yours.  
**VIRGO** (Aug. 23-Sept. 22). Use your dramatic flair to bring people together. Your instinct about how to create a mood won't fail you. Set the stage for a wonderful experience, and then invite people to enjoy it with you.  
**LIBRA** (Sept. 23-Oct. 23). In an ideal world you would see with perfect clarity before you made your decision. This isn't practical. It's not even possible. There is no way to take in all the factors. Go with your gut.  
**SCORPIO** (Oct. 24-Nov. 21). You'll be amazed at what others do to help you, though you should know that you would do the same and more for them, and probably already have.  
**SAGITTARIUS** (Nov. 22-Dec. 21). Ask to get paid for your work. If you don't, people will devalue your contribution. You don't have to charge a big sum, but do charge something.  
**CAPRICORN** (Dec. 22-Jan. 19). Like a porcupine, you are capable of shooting quills in self-defense. Yours are emotional, of course, but that doesn't make them any less painful to those who are on the receiving end.  
**AQUARIUS** (Jan. 20-Feb. 18). However disconcerting it may seem to be out of step with the others around you, this is actually a good thing. It will keep you objective. You'll be immune to group hypnosis.  
**PISCES** (Feb. 19-March 20). Maybe it's for the best that hearts have strong intelligence but cannot think. As one 17th-century philosopher put it, "The heart has its reasons which reason knows nothing of" (Blaise Pascal).  
**TODAY'S BIRTHDAY** (Nov. 21). This year will bring your favorite challenges - the type you feel confident, but not sure, you can surmount. You've a secret advantage in December's competition. You could get used to the sweet care you receive in January. In fact, you'll have to. You'll be rewarded greatly for what you teach a younger person in 2016. Pisces and Gemini adore you. Your lucky numbers are: 30, 7, 13, 28 and 17.
