HOROSCOPES

By Holiday FRIDAY, NOVEMBER 27, 2015 ARIES (March 21-April 19). As you tend to your life consciously you will be aware of much going on with your subconscious. Your inner world is active and interesting, speaking to you with such clarity that you'll find it extremely hard to ignore. TAURUS (April 20-May 20). You won't feel motivated to do today's work, but you'll do it anyway. Sometimes it frustrates you that others don't share your sense of duty, but you can appreciate how this also sets you apart as a leader. GEMINI (May 21-June 21). You'll get as much attention as you give. Enjoy this rare moment of perfect mutuality and balanced affections. You can relax into the idea that fair is fair. CANCER (June 22-July 22). The day will be shaped by the age-old question of what to eat. The same foods can be made in hundreds of ways. There are more than a few people who like the way you make it best! LEO (July 23-Aug. 22). You may feel that agreeing with those around you is part of your job. It certainly is a lot easier than disagreeing, and yet today it won't serve your project to go along when you know there's something wrong in the plan. VIRGO (Aug. 23-Sept. 22). You might be initially stumped by today's relationship problem, but don't give up. What seems difficult will actually be rather simple when you're willing to go at it from another angle. LIBRA (Sept. 23-Oct. 23). There's such a natural, easy pace going with what you're doing now. It's nice when you can make progress without pushing yourself or anyone else. Bonus: You've increased immunity to stress and illness. SCORPIO (Oct. 24-Nov. 21). Figure out what you want before you start the discussion. People will listen carefully to what you say and take you quite literally. Now is a time to be very careful about how you word things. SAGITTARIUS (Nov. 22-Dec. 21). Henry David Thoreau suggested that a person "beware of all enterprises that require new clothes." What you're planning falls into the category, but all will be well as long as you don't forget the "old you" in the process. CAPRICORN (Dec. 22-Jan. 19). If you can do it just about as easily as another person could, don't involve the other person. This is a time for reminding everyone just how independent you are. You'll be about as happy as you are self-reliant. AQUARIUS (Jan. 20-Feb. 18). You're tougher than your circumstances have allowed you to prove. It might help you now to think of yourself as forged titanium, built solid from the ground up -- no shortcuts, no alloys. PISCES (Feb. 19-March 20). Your water-sign nature will connect you with a social tide. You might not be sure you like where it's headed, but swimming against it will tire you out. Besides, there's an opportunity here. TODAY'S BIRTHDAY (Nov. 27). Connecting with your spiritual core, which is infinite and eternal and part of everything, you release the need to prove your status. Being unworried of your standing, you are able to connect with great bounty. You'll make decisions for love in December. February brings beauty and change to your environment. Aquarius and Scorpio adore you. Your lucky numbers are: 1, 33, 28, 18 and 5.
