UH... I CAN'T. I'VE GOT... UM... RAKING TO DO.

BUT... WHERE'S YOUR RAKE?

IT'S... UH... AROUND HERE SOMEWHERE.

I'M JUST TAKING A LITTLE BREAK, THAT'S ALL! RESTING MY RAKING MUSCLES! HA HA!

YOU GUYS HAVE FUN! I'LL TAKE A RAIN CHECK!

GO AHEAD, SUE. I'LL CATCH UP WITH YOU.

YOU'RE NOT WEARING PANTS, ARE YOU?

IT'S A LONG STORY.

PHOEBE AND HER UNICORN

BY DANA SIMPSON

How many hands tall are you?

"Hands"?

I read that horse heights are measured in hands.

I am no horse.

I am ONE UNICORN TALL!

How tall ARE you, then?

Is EVERY unicorn one unicorn tall?

That is a point of contention.

For instance, I feel that I am one unicorn tall and my sister Florence is .9 unicorns tall...

Florence insists SHE is one unicorn tall, and I am 1.1 unicorns tall.

How tall am I in unicorns?

YOU are 10.8 hands tall.
