HOROSCOPES
By Holiday

SATURDAY, NOVEMBER 28, 2015

ARIES (March 21-April 19). Even though you don't want to play favorites, there is someone in your life who you love saying hello to and hate saying goodbye to. You'll figure out how to spend more quality time together.

TAURUS (April 20-May 20). It's not all distraction and whimsy. You will establish boundaries that will help you be at peace with your devices. We have incarnated at this time to experience the lessons inside the wonders of the modern world.

GEMINI (May 21-June 21). Once you make peace with the past it will have less influence over your present. Most likely, this is just a matter of letting go of guilt and blame. You weren't perfect, and neither were they.

CANCER (June 22-July 22). Today's main issue will arrive on the scene with such a humble presence that it's impossible to tell yet how important it will be to you in a week or next month. This is one to watch, though. Write down some thoughts about it.

LEO (July 23-Aug. 22). A loved one will lean on you with more than the usual amount of problems, but don't worry. This person is not expecting you to fix them all, only to make facing them a little less lonely.

VIRGO (Aug. 23-Sept. 22). Time heals. Wanting the healing process to be faster won't make it so. Relax and give it time. Impatience is a very unflattering tone that doesn't look good on anyone.

LIBRA (Sept. 23-Oct. 23). It is very difficult to discover your own blind spot. But trust that it's there. When someone points out where you've made a mistake, this is a gift. You'll be grateful for the enlightenment.

SCORPIO (Oct. 24-Nov. 21). Others say it's a verb. Love doesn't exist except in evidential form. Some say it's a verb. Love doesn't exist to you to be a pre-destined agreement made between soul mates. It's like you're knitted to another with invisible thread.

SAGITTARIUS (Nov. 22-Dec. 21). You can't help it that you're curious about how other people live. This makes you an excellent conversationalist now, even though it might also lead you to learn more than you wanted to.

CAPRICORN (Dec. 22-Jan. 19). A friend will be so much more to you than merely a companion on the raft of life. There are certain friends who seem to show up with their own ships, ready to set sail for an epic adventure.

AQUARIUS (Jan. 20-Feb. 18). By creating happiness for yourself, you will help others be happy, too. Let that be your guiding principle as you sort out something that's been causing you stress. This isn't selfish! It matters.

PISCES (Feb. 19-March 20). Loved ones can push your buttons better than anyone else, because experience has taught them where those buttons are. It comes with the territory of intimate relationships today.

TODAY'S BIRTHDAY (Nov. 28). New and mysterious friends decorate your life, and it will take the better part of 2016 to get to know them better. A contract in January will bring in more money for you and yours. February will feature a passionate challenge. You won't be judged on how successful you are, but, rather, on how well you empathize. Libra and Capricorn adore you. Your lucky numbers are: 16, 9, 38, 11 and 42.
