

Clearview Mediation Disability Resource Center

PROGRAM OVERVIEW

Clearview MDRC provides services to our community including Umatilla & Morrow Counties.

- We provide resource and referral to seniors and people with disabilities helping to find the resources they need to live independently.
- We provide non-emergency medical rides to our area for medical appointments in Umatilla & Morrow Counties.
- We have a medical loan closet that loans gently used durable medical equipment to anyone in need on a temporary basis. This service is provided at no cost to the client.

GIVING OPPORTUNITIES

As a 501(c)(3), Clearview accepts tax-deductible cash donations and donations of gently used medical equipment. We organize a yearly fundraiser: the Chair-ity Dinner and Auction.

VOLUNTEER

Clearview utilizes volunteers in non-emergent medical transportation and in delivery and pick up of durable medical equipment.
