

Trump uses crude language to mock Hillary Clinton

WASHINGTON (AP) — Republican presidential candidate Donald Trump labeled Democrat Hillary Clinton “disgusting” for using the restroom during a commercial break at the last Democratic debate and used crude language to describe her primary loss to now-President Barack Obama in 2008.

“She was favored to win and she got schlonged, she lost,” he said on Monday night, using a slang word for male genitalia.

Trump, who has ramped up his criticism of Clinton in recent weeks, also mocked Clinton for returning late to Saturday’s debate following a commercial break because she’d been using the bathroom.

“What happened to her? I’m watching the debate, and she disappeared. Where did she go?!” Trump said at the rally at the DeltaPlex Arena in Grand Rapids, Michigan.

“I know where she went. It’s

disgusting, I don’t want to talk about it,” he added. “No, it’s too disgusting. Don’t say it, it’s disgusting.”

This isn’t the first time Trump has used what could be interpreted as gendered language to criticize Clinton. He has repeatedly described her as lacking the strength and stamina to be president and invoked the image of her putting on a pantsuit before heading to work.

But the latest remarks appear to have hit a new nerve. After declining to comment Monday evening, Clinton spokeswoman Jennifer Palmieri took to Twitter to label the language “degrading.”

Bowe Bergdahl arraigned at base

FORT BRAGG, N.C. (AP) — Wearing a dress blue uniform, Sgt. Bowe Bergdahl faced a military judge Tuesday for the first time since the U.S. Army decided to proceed with a military trial that could result in a life sentence for his disappearance in Afghanistan in 2009.

Bergdahl, who was held by

the Taliban for five years after he walked off a base, was arraigned during a short hearing on charges of desertion and misbehavior before the enemy, a relatively rare charge that carries the severe punishment. If convicted of desertion, he could get up to five years in prison.

Bergdahl deferred entering a plea and did not decide whether he wants to face a court-martial with a jury or one with just a judge. He said little beyond answering “yes” and “no” to questions about whether he understood his rights and the court proceedings.

He appeared demure, sitting mostly still in his chair then walking deliberately with his head down as he left the courtroom. He talked quietly with his military attorney before and after the hearing.

The next pretrial hearing was scheduled for Jan. 12 before Army Judge Col. Jeffery R. Nance, who will preside over future hearings.

Bergdahl, 29, of Hailey, Idaho, walked off his post in eastern Afghanistan’s Paktika province on June 30, 2009. He was released in late May 2014 as part of a

prisoner swap, in exchange for five detainees in Guantanamo Bay. The move prompted harsh criticism, with some in Congress accusing President Barack Obama of jeopardizing the safety of the country with the exchange.

Woman charged with murder, hit-and-run in Vegas Strip crash

LAS VEGAS (AP) — Prosecutors on Tuesday charged a homeless woman with murder, child abuse and hit-and-run after police said she intentionally plowed a car carrying her young daughter through crowds of pedestrians on the Las Vegas Strip.

Additional charges were expected against Lakeisha Nicole Holloway, 24, as investigators interview witnesses and review video and physical evidence from the Sunday night crash.

“This is an ongoing investigation,” said Clark County District Attorney Steve Wolfson, who earlier predicted “a great number” of charges would be filed. “I’ve personally seen the videos from a variety of angles,

and I’m appalled at the callousness of this defendant’s conduct and what appears to be an intentional act.”

Casino and street surveillance video cited by the prosecutor has not been made public, and Wolfson said prosecutors don’t plan to present it in court Wednesday, when Holloway is expected to make her first appearance.

Authorities say Holloway repeatedly swerved onto a sidewalk packed with tourists in front of the Paris Las Vegas and Planet Hollywood casino-hotels.

An Arizona woman was killed and at least 35 people from California, Colorado, Florida, Oregon, Pennsylvania, Washington, Mexico and Canada were injured. Three were still in critical condition and five others remained hospitalized.

Holloway was on suicide watch in jail, where she is being held without bail. Abood said he and another public defender, Scott Coffee, were collecting information and didn’t know whether Holloway’s mental health would emerge as a defense.
