HOROSCOPES
 —By Holiday—

FRIDAY, JANUARY 1, 2015

ARIES (March 21-April 19). Usually, whether or not you get what you want you take it in stride. Today you're more invested in seeing things go your way, as you should be. This one is important and worth fighting for.

TAURUS (April 20-May 20). You want to improve the world; we all do. Maybe that's why you're turned off by political rants that either preach to the choir or alienate the opposition. A break from intense sharing is what's needed.

GEMINI (May 21-June 21). It's nice to feel self-contained, and you very well may be able to fulfill any need that comes up today all on your own. However, accepting a bit of help may also be the most gracious thing to do.

CANCER (June 22-July 22). Relationships will thrive as you give enough to let others know you're interested and admiring and then pull back enough to allow them to reach for you.

LEO (July 23-Aug. 22). You care. You give. You get. You care even more. This is the cycle that sums up the day. Tonight will bring an important meeting of the minds. Capricorn and Aquarius are two minds that should be included.

VIRGO (Aug. 23-Sept. 22). Your current vision is enough to drive you to the next waypoint, but a broader vision is probably needed to sustain your motivation through the miles and miles that follow. Brainstorm, discuss and research.

LIBRA (Sept. 23-Oct. 23). You'll be there to catch the soul who is floundering to catch balance. Your discreet assistance will be much appreciated, though perhaps privately, so as not to draw attention to the fall.

SCORPIO (Oct. 24-Nov. 21). You're not exactly in uncharted territory, but, without guides around, you might as well be. Call out to tell people where you want to go. Trying to get there without a map will be a waste of time.

SAGITTARIUS (Nov. 22-Dec. 21). You will accomplish your top priority as long as you state what it is and keep paying attention to it throughout the day. Loved ones seem to need you, but if you're busy they'll do brilliantly on their own.

CAPRICORN (Dec. 22-Jan. 19). Go ahead and step into that fresh scene. You'll get attention because you're the new person, and you'll become fast friends with someone who can show you around.

AQUARIUS (Jan. 20-Feb. 18). Your help is so subtle that some don't even realize they are being assisted. You'll gently nudge people into the right groove and all goes smoothly from there.

PISCES (Feb. 19-March 20). Preferring to keep things light, you may not set out to tell your friend what's really going on with you, but you're likely to reveal it, anyway, because the time you spend together has a way of opening your heart.

TODAY'S BIRTHDAY (Jan. 1). You're in charge, and you get to say what fits into your life and what doesn't: no apologies. A love connection will grow stronger through February. Wonders unfold in the area of family and relationships in April. Business changes for you, and this summer you'll have to learn in order to keep up. Sagittarius and Libra adore you. Your lucky numbers are: 50, 21, 45, 39 and 42.
