HOROSCOPES

By Holiday

WEDNESDAY, JANUARY 13, 2016

ARIES (March 21-April 19). When you hit the mid-day slump, one happy memory is all it takes to connect you with inner magic. Remember the situations, people and things that bring your joy. The spark of that thought will get your energy going again.

TAURUS (April 20-May 20). You may have to change an agreement; do so at the earliest opportunity. You won't exactly be met with enthusiasm, but, if you wait, things could get worse. Renegotiate as soon as possible.

GEMINI (May 21-June 21). No, you're not dreaming this or fabricating it: You actually do have healing powers. Your touch, your listening ear and the love in your gaze all send soul nutrition right where it is most needed.

CANCER (June 22-July 22). When you have a mystical mindset, the world is filled with sprites, imps, trolls and the like. It might help you to think of the people around you as specific creatures, each with unique attributes.

LEO (July 23-Aug. 22). One man's triviality is the whole world of another. You do not share the same passions as some of the people around you. Even so, your respect for what they love will keep you in good stead.

VIRGO (Aug. 23-Sept. 22). Modesty is a primer for the mind. It makes for optimum receptivity and quick learning. Head into that potentially educational environment and leave all prior knowledge behind.

LIBRA (Sept. 23-Oct. 23). Segal's Law states that "A man with a watch knows what time it is. A man with two watches is never sure." To eliminate doubt, narrow down your options considerably.

SCORPIO (Oct. 24-Nov. 21). Choose your company according to tone, not experience. The upbeat people may have the wrong answers, but that's something that can be sorted out with the right attitude.

SAGITTARIUS (Nov. 22-Dec. 21). The shape of the physical world changes. Forms expand, contract, sag, implode -- but feelings are immune to forces such as gravity. The durability of feelings will work for you today. Use it.

CAPRICORN (Dec. 22-Jan. 19). For deeply evolutionary reasons, good memories are harder to hold on to than bad ones. You'll set the balance right and make yourself and others happy by recording a memory through writing or pictures.

AQUARIUS (Jan. 20-Feb. 18). Of course, you have much better things to think about than your reputation and/or effect on others. And yet there is something you want that will be much easier to obtain once you align your public image with it.

PISCES (Feb. 19-March 20). The one who becomes a master of his or her time will become a master of many things. That said, the extra moments you give to a loved one may put you back, but you'll never regret the expense of those minutes.

TODAY'S BIRTHDAY (Jan. 13). Do not doubt the power of love. One nourishing relationship will change everything in the first trimester of the year. February brings a happy development in the realm of health and fitness. A work cycle ends in March and new exciting projects start. July and October bring financial bonanza. Cancer and Taurus adore you. Your lucky numbers are: 9, 22, 28, 15 and 19.
