RIVER POINT Farms, America's largest grower, packer, shipper and processor of onions, has an immediate opening for Line Leads. River Point Farms office is located in Hermiston, Oregon. This position comes with full benefits, a competitive wage, and a relocation package. SUMMARY

The Line Leader is the first line supervisor of production line workers and the primary communicator of production challenges and opportunities.

- DUTIES AND RESPONSIBILITIES
- Must know and understand the customer's finished good specification and the quality attributes of raw product.
- Continually provide on the job instruction of line workers and continually monitor to ensure they follow instructions and communicate timely their challenges and needs to ensure attainment of finished goods quality and the daily production plan
- Must have good trouble shooting skills and be able to communicate effectively with maintenance personnel
- Continually monitor line and plant production and effectively communicate challenges and opportunities to Plant Operator

- Must be able to make quick decisions based on understanding of operational needs in a fast paced environment
- Escalate production issues that will compromise production schedule to Plant Manager or Production Manager
- Perform quality checks of the line to include raw product, machine set-up, finished goods and line equipment
- Verify components of production order to ensure correct type and quantity of components are available for production
- Monitor production order and production plan progress and minimize down-time due to change overs
- Understand and verify rejects from line and adjust as appropriate

- QUALIFICATIONS
- High School diploma or GED required
- 2-5 years' experience in a lead or supervisory position in a fast paced manufacturing or food processing environment
- Knowledge of computers and Microsoft Office programs
- Ability to read/comprehend written and oral instructions in English, read and comprehend safety rules, operating and maintenance instructions, procedure manuals and inventory identifiers. Must pass English literacy test
- Mathematical skills to add, subtract, multiply and divide and the ability to perform these operations using units of weight measurement, volume, and distance
- Effectively communicate in English one-on-one and in small group situations
- Able to participate in a team-oriented environment and willingness to assist and train others
- Able to work flexible schedule, including overtime, weekends, shift rotation and before and after schedule as needed
- Bilingual Spanish/English preferred but not required

Sysco Portland 26250 SW Parkway Center Drive Wilsonville, OR 97070

HOROSCOPES

By Holiday

THURSDAY, JANUARY 14, 2016

ARIES (March 21-April 19). The complicated problems of the past look simple in retrospect. Remembering one of them should help you maintain a healthy perspective on the current situation. Keep affirming to yourself: I deserve to be happy.

TAURUS (April 20-May 20). Regarding today's challenges: Good fortune follows your decision to depend solely on yourself. If others come through, it will be a cherry plus sprinkles on your sundae. Just don't count on it.

GEMINI (May 21-June 21). When you like someone, you plan, scheme and put your most imaginative energy to the task of delighting that person. Someone will do the same for you today.

CANCER (June 22-July 22). Just because someone is in charge doesn't mean that person is the right one to get something done. If you're feeling it, take it on. Passion and drive matter more than authority and power.

LEO (July 23-Aug. 22). Your lucky number, five, has resonance now. In fact, it will help you to plan your day in five parts. For major productivity, pick an amount of time and stay focused the entire duration of the cycle. Keep your energy contained.

VIRGO (Aug. 23-Sept. 22). You'll probably come to understand that you don't yet have the skill necessary to get the job accomplished in the way you would like to see it happen. Rest assured that there are plenty of resources available for your education.

LIBRA (Sept. 23-Oct. 23). Forget the competition and run your own race. Whatever your last "time" was, you'll be able to beat it today. That said, there is far more that matters in this than the numbers.

SCORPIO (Oct. 24-Nov. 21). Your best idea will be highly implausible. That's why perhaps it's better not to share with all of those reasonable people you know who care about you very much. This one is between you and your heart.

SAGITTARIUS (Nov. 22-Dec. 21). When you assert your personal rights, you are also asserting your human rights. In some way it will count toward the evolution of humanity. If you knew the rest would be profoundly affected, what would you do?

CAPRICORN (Dec. 22-Jan. 19). You respect them; they feel it, and they respect you back. But when it's time to hash out the contract, other elements (lawyers, maybe?) could complicate things. Keep reminding yourself of the original goodwill you built up.

AQUARIUS (Jan. 20-Feb. 18). As sound as an opportunity may be, if you're not excited about it, there's nothing good that will come from taking it. Leave it on the table for someone who will be genuinely thrilled to take advantage.

PISCES (Feb. 19-March 20). You want something done. You want it changed. You want it working in a totally different way with completely different results. You're in the mood to overhaul, but wait: All that's needed, really, are a few tweaks.

TODAY'S BIRTHDAY (Jan. 14). You put people first - before money, power or anything material. In choosing this, you choose your soul. Your excellent judgment and a few stellar decisions will make this year one for the ages. Destiny will be cast in February. Your beautiful smile will attract love and friendship in March. Libra and Sagittarius adore you. Your lucky numbers are: 30, 22, 18, 4 and 16.
