HOROSCOPES By Holiday

TUESDAY, JANUARY 19, 2016

ARIES (March 21-April 19). Without a sufficient appetite for life, there is no action. So when you are feeling dissatisfied, that is actually a good thing. Your hunger will motivate you better than any outside source could.

TAURUS (April 20-May 20). You'll never really understand the difference you make in someone's life by just being you. By following your curiosity and doing what comes naturally, a favorable impact is assured.

GEMINI (May 21-June 21). Unless you interrupt an unhealthy pattern, it's going to keep repeating. There's no one else who sees the situation any more clearly than you. Do what your gut is urging you to do.

CANCER (June 22-July 22). True, some of the privileged have a candy shop's array of options to choose from. Let them deliberate. All you need is within the very limited range of options right before you.

LEO (July 23-Aug. 22). You told it well, but they weren't listening. Therefore, don't be too quick to compromise. Instead, try again to communicate your side. You'll strike a better deal when they really understand the cost you'll incur.

VIRGO (Aug. 23-Sept. 22). It's not your fault that you need more mental stimulation than you are currently getting. However, now that you realize it, the responsibility to go where exciting stuff is happening is all yours.

LIBRA (Sept. 23-Oct. 23). Graciously accept the help you're given without feeling guilty or feeling compelled to return the favor too fast. Even if you don't feel worthy of this help yet, take it. You will be very soon.

SCORPIO (Oct. 24-Nov. 21). You need a plan. Team up with someone who can help you customize a great one. The same versatility that once had you confused about what to do next will soon become your greatest asset.

SAGITTARIUS (Nov. 22-Dec. 21). There's a fine line between honoring your feelings and indulging them. Mostly this has to do with dwelling in the feelings that inspire and motivate you and moving through the ones that bog you down.

CAPRICORN (Dec. 22-Jan. 19). Is this what you dream? Some of it is! Now if you could only block out the intrusive realities that don't fit the dream. You can! You'll get better and better at ignoring them.

AQUARIUS (Jan. 20-Feb. 18). There's no disrespect you may not mean to do so, but either way there's no good reason to hang out with them when there are plenty of other options. Go where the love is.

PISCES (Feb. 19-March 20). Alone, it's hopeless -- or at least arduous. Together, it's probable. The fire from the ones you love will fuel your water-sign nature, culminating in the kind of steam that is sometimes used to power massive engines.

TODAY'S BIRTHDAY (Jan. 19). Instead of fighting against time, you'll make it your best friend, and the hours will seem to stretch and bend at your will. The next six weeks introduce you to beauty you'll want in your life for years to come. Doing what feeds your soul is the theme in March. Spiritual transformations will be reflected in your life. Capricorn and Cancer adore you. Your lucky numbers are: 38, 26, 22, 14 and 18.
