HOROSCOPES
By Holiday

FRIDAY, JANUARY 22, 2016

ARIES (March 21-April 19). Don't ask for what you want. Get in there and politely inform the gatekeeper that you already have what you want, and that you're available and ready for more of it.

TAURUS (April 20-May 20). There are undeniable benefits to being on-trend, depending on whose trend it happens to be. Something to keep in mind: If you create the culture, you don't have to worry about staying ahead of it.

GEMINI (May 21-June 21). You've been an idealist; you've been a cynic. And today you'll float around the vast middle ground between the two extremes. That's where you meet friends who think at your level. Such a treasure!

CANCER (June 22-July 22). When you were small you had to be in a familiar place to feel completely safe. Now you've grown into your "crab" essence. You're safe because of who you are, not because of where you are.

LEO (July 23-Aug. 22). The moon favors your every move; this is your day, your night, your extended-play dance in the spotlight. Savor the creative outlet. When your turn is over, the creativity will still be inside you, waiting for the next showcase.

VIRGO (Aug. 23-Sept. 22). Unless you're very aware of your surroundings and how others are feeling, you may not realize what's at stake in a situation. Challenge yourself to be more observant. What you'll note is that everyday life takes courage.

LIBRA (Sept. 23-Oct. 23). Education is expensive, especially the unstructured, informal education you get from hanging out with people in glamorous settings. Be frugal now so that you'll be able to weather the storm that is coming later.

SCORPIO (Oct. 24-Nov. 21). Laughter is one of your favorite love notes. It means that someone is sharing in your joy of life, as well as your intellect, point of view and general experience. You'll connect in giggles and love.

SAGITTARIUS (Nov. 22-Dec. 21). It's a day to pay the piper, and he's not offering a layaway plan or installment options, either. Regardless of how you choose to handle it, by the end of the day you'll be square.

CAPRICORN (Dec. 22-Jan. 19). Of course there are no winners in conversation. However, if there were winners, the prize would go to the one who chooses the best topic. You've a knack for knowing which one will bring the most interest and fun.

AQUARIUS (Jan. 20-Feb. 18). You thrill to the unpredictable turns of this rollercoaster day. The anticipation will be sweet -- maybe even sweeter than the fast plunge that comes afterward.

PISCES (Feb. 19-March 20). Indulge your whims, or they will turn against you, pouting and dragging your mood through the mud. Your instinct to play needs expression. With no specific agenda, activities take you where you need to be.

TODAY'S BIRTHDAY (Jan. 22). February brings a delightful someone to share the minutiae with. Family has a strong bearing on where you'll live and on professional concerns, too. You'll bank money from a savvy sale in March. Networking and travel come in May. The cause that's near to your heart in June will lead you to others as passionate as you. Aries and Virgo adore you. Your lucky numbers are: 9, 40, 2, 11 and 17.
