HOROSCOPES - By Holiday

TUESDAY, JANUARY 26, 2016

ARIES (March 21-April 19). Does it feel like you're living to get a message, phone call, email or word at all from a certain person? Well, that's no way to live. Take back your power by not caring.

TAURUS (April 20-May 20). You are no longer a passive observer in your group. Your opinion matters too much. Your observations are invaluable. Your involvement is immeasurable. From this point on, you are involved, big-time.

GEMINI (May 21-June 21). The light conversation and casual questions you ask might satisfy more than just your curiosity; your interest is likely the attention another person has been quietly craving.

CANCER (June 22-July 22). There are many ways to be powerful. Stay aware of the more insidious ones. Limit your exposure to anyone who would try to use your fear or weakness against you as a psychological weapon.

LEO (July 23-Aug. 22). You'll find satisfaction in hearsay or be captivated in unexpected ways by a story - fun, but don't trust it or act on what might turn out to be false. Small-town intrigue will likely amount to nothing more than trivial gossip.

VIRGO (Aug. 23-Sept. 22). The theme carries over (and will for the next few days). Hopefully, you can find a way to delight in the slight insufficiency you are experiencing, because others certainly will. You'll go straight to their hearts!

LIBRA (Sept. 23-Oct. 23). You'll delight in contemplation. You can turn an idea over in your mind so many different ways that you are certain to find a way of looking at it that no one has ever thought of before. Share your talent. Your point of view is needed.

SCORPIO (Oct. 24-Nov. 21). You do not often give your unqualified approval, but there is something you'll experience today that unfolds in such a spot-on, perfect way that you cannot find a single thing to judge negatively about it.

SAGITTARIUS (Nov. 22-Dec. 21). Your imagination is strong now. Steer it well. You can fantasize your way out of a harsh, emotional descent and into an oasis lush with love, beauty and excitement. Or you can dwell on your fear and be miserable.

CAPRICORN (Dec. 22-Jan. 19). To commiserate with someone doesn't always automatically gladden them, but today it works just fine. Your manner of connecting with others could even inspire a miraculous healing. You have the touch today, so use it!

AQUARIUS (Jan. 20-Feb. 18). There's something you'll do strictly for money. It doesn't conflict with your values, necessarily; it's just that you really wouldn't bother if money weren't involved. You have bills, after all. Get in there and get it done.

PISCES (Feb. 19-March 20). People do strange things when they feel cornered. Sometimes they issue a preemptive strike. Avoid all that by giving everyone a graceful out, keeping things easy breezy and letting go of certain expectations.

TODAY'S BIRTHDAY (Jan. 26). Sometimes it feels like the gap between who you want to be and who you are is very wide. Not this year. You're closing in on it daily, which makes this a very exciting time. You'll learn a new skill in February. You need a mentor, and the right one comes in April. June and September are the most passionate. Scorpio and Aries adore you. Your lucky numbers are: 9, 50, 33, 28 and 14.
