CASINO

GRADE * YEAR 2008 * QH BUCKSKIN GELDING

Notes: Casino is a flashy buckskin that is an all around nice gelding that anyone in the family can ride. He was started as a reiner, has a slow, smooth collected lope, big stop, good turn around and is very broke in the bridle. You can catch Casino anywhere, put a string around his neck and ride him to the barn. Casino has tracked cattle out of the box and really enjoys it. He would make a top notch rope horse. He has rope the hot heels. Casino has carried flags at rodeos. 406-897-4717 for information and videos. Pen #41.
