Notes: "Coug" is a very well built mare that will do any job you ask. She has a personality to please, and very kind disposition. She has been ridden on the ranch and in the arena. She has branded and doctored calves, been ridden in steep rocky country, and will go all day. She has been headed on, heeled, and breakawayed off. She rates well, and has a very correct move. She is very cowy, and smart. She stops correctly. She is very soft in the face and sides. Coug is a great all around horse, and has even had 30 days on the barrels. She would make a great addition to any family. Pen #44.

Notes: Lucky is a pretty black and white gelding, 15 hands and stocky built, he is very gentle and loves people. He gets along great with other horses or by himself. He does well on an electric fence too. He knows all his basics and does them well. Loads, ties, trailers, good to catch and good with his feet. He has always been very laid back under saddle and willing to learn new things. We have ridden him down the trail and in the arena and gathered cows on him too. He is a nice horse that could go any direction you choose. Pen #22.
