 POCO PEPPY KID

 CHERRY CK CASBAR

Notes: Rowdee is a gentle gelding, he stands about 15.2, good with other horses, good leads, loads, ties, etc. I guess the best way to describe him is anyone can ride him in anything. He is a jack of all trades. He has been used on a ranch, he can cover country at a long trot and has been roped on. He has had small kids on him inside and competent beginners have ridden him outside. He has speed and does have potential as a barrel horse or speed event horse if desired but if you prefer a calmer lifestyle he is happy to go along for the ride. He tries very hard to please in whatever you want to do. Pen #21.
