HOROSCOPES
By Holiday

TUESDAY, FEBRUARY 2, 2016

ARIES (March 21-April 19). Because you want people to feel free to express themselves around you, you sometimes hold back your reactions. That's smart. The restraint you demonstrate today will garner the deep trust of a dear one.

TAURUS (April 20-May 20). You've no shortage of imagination. You conjure and create to your heart's content. The next step is to believe what you've dreamed up. If you don't believe it, the dream is just an exercise instead of a trajectory.

GEMINI (May 21-June 21). You might not get a second chance, so you're better off putting everything you have into the opportunity at hand. And if you do get a second chance, it will be because you showed so much enthusiasm the first time around.

CANCER (June 22-July 22). You and another will land in a most riveting dynamic. You will be simultaneously aware of what you lack while seeing that the other person has exactly what is needed. Don't hesitate! Help each other out.

LEO (July 23-Aug. 22). Clean out the medicine cabinets of your mind. Throw out the old prescriptions and remedies that are past the expiration date. Jealousy, misplaced desire, resentment -- all potential poisons to your happiness.

VIRGO (Aug. 23-Sept. 22). You'll find a way to share in another person's dream and still inhabit your own. It's not that difficult when you're with people whose goals and talents complement yours so beautifully.

LIBRA (Sept. 23-Oct. 23). You shouldn't have to sacrifice one relationship to make another one work well. If you feel yourself being torn between two people, consider that the disharmony is within you. This is about reconciling two aspects of yourself.

SCORPIO (Oct. 24-Nov. 21). You're focusing on the good traits of those close to you. This one simple choice will be the reason this day turns out to be special. Of course, your loved ones will do the same for you, but there's something more to look forward to.

SAGITTARIUS (Nov. 22-Dec. 21). While "chase" is a fun game for the elementary school playground, adults who chase are often ultimately thwarted by the dynamic. Hang back and see if you can't catch your intended through sheer attraction.

CAPRICORN (Dec. 22-Jan. 19). When it comes to your people, you want to be there to celebrate the ups, help with the downs and find ways to make all the in-betweens a bit more memorable. Your love is a full-service arrangement.

AQUARIUS (Jan. 20-Feb. 18). You're emboldened and yet not quite ready to embark. Perhaps you're still not positive about how to get there. Once you get your hands on a map you'll be ready to launch.

PISCES (Feb. 19-March 20). You are rarely, if ever, accused of being too rigid. However, you have some strong opinions about how the action should unfold today, and you'd be wise to share. You'll help to raise the bar when you do.

TODAY'S BIRTHDAY (Feb. 2). You've no shortage of charisma, and your fan club will grow exponentially. The push you do for your cause this month helps. A special partner will be with you all the way. April is for sorting logistics and overcoming inconvenience. You'll muscle through, eye on the prize. June shows you victorious and richer, too! Taurus and Libra adore you. Your lucky numbers are: 8, 22, 38, 47 and 19.
