HOROSCOPES
By Holiday

SATURDAY, FEBRUARY 13, 2016

ARIES (March 21-April 19). Your dedication to a worthy purpose will be a source of great happiness, though not right away, and not after a week or even a month. Dedicate yourself anyway. You'll understand in time.

TAURUS (April 20-May 20). You are not a chameleon borrowing your color value from your environment. There's something in you that won't change to match a hue you feel is wrong for you. You'll stand as you really are.

GEMINI (May 21-June 21). You'll use every resource you have to solve the day's problem. If the problem is about getting more fun and excitement in your life, that's a trouble as worthy of attention as any of them.

CANCER (June 22-July 22). Is joy really a sustainable emotion? It's arguable, and yet, who will waste time in debate? Only a fool would spend precious energy on anything other than joy when joy is there for the taking.

LEO (July 23-Aug. 22). In order to preserve what you have you'll need to make a few rules regarding the use of it. This will include at least two other people. Communicate as specifically as possible and you should do just fine.

VIRGO (Aug. 23-Sept. 22). When you command yourself to do something, it can go either way. Sometimes you rebel. Not now. You'll see the wisdom in what your higher mind is laying out.

LIBRA (Sept. 23-Oct. 23). Intelligence has less to do with success than tenacity. Usually you have both, though your current concentration on an attractive proposition could temporarily cloud your thoughts. Don't let that slow down your mission.

SCORPIO (Oct. 24-Nov. 21). Some of the poets and philosophers have suggested that happiness occurs exclusively in the memory. You can prove them wrong by being happy in the moment and noticing it, too.

SAGITTARIUS (Nov. 22-Dec. 21). Don't think that just because you're on someone's good side you're impervious to that person's bad behavior. Whatever they do to the others, they'll do to you, too.

CAPRICORN (Dec. 22-Jan. 19). You've built on the person you were when you were younger. You may not even remember how. That's why those who remember what you were like are invaluable assets in your self-discovery process.

AQUARIUS (Jan. 20-Feb. 18). It doesn't matter if the group operates dysfunctionally. What matters is that it's a group and it operates. If you can accept that and have a good attitude about it, you'll win.

PISCES (Feb. 19-March 20). Everyone needs a witness. That is why even if all you are doing is "picking up" what another person is "putting down," it's a service more valuable than you might have suspected.

TODAY'S BIRTHDAY (Feb. 13). You'll enjoy the tremendous luxury of being left to your own devices in March. This means you can finally break out on your own. By April, the new direction will be something worth bragging about, but don't. Keep working and in July you can cash in (to some degree) and buy all the supplies you need. Cancer and Sagittarius adore you. Your lucky numbers are: 7, 49, 24, 39 and 35.
