

Celebrity INTERVIEW! with your host... **CHIP CHIPSON!**

Time for a VALENTINE'S DAY CHAT with match-making MVP **DAN CUPID!**

Climb aboard, Chip!

What's on today's agenda, Dan?

I'm trying to find a "soul mate" for...

...MARTY WRIGHT, aka **DAD!**

How's that going?

Not well, Chip. Dad's a tough case.

Can't you just shoot some random passerby with one of your love darts?

That's against regulations.

I'm not allowed to make two people fall in love unless they're BOTH attracted to one another!

There's a creepy guy over there.

So...where does that leave Dad?

Sadly, Chip, it leaves him in **LOVE LIMBO!**

He's been rejected by all the available women, so now he focuses his affections on women who are **UNavailable!**

What does that mean?

STAY TUNED FOR AN ALL-NEW "TOTAL DIVAS."

HELLO, LADIES!

HOW WE HAVE KEPT OTHER SPECIES FROM PROGRESSING

Stop staring at the moon. Time for bed.

No, you can't go outside. It's too dangerous.

Did you remember to drop the cat off at the kennel?

I think so.

So...what is this the one place you guys can cross the road?

When we wish to cross elsewhere, we have to move the sign.

THE OLD COUNTRY

YOU'RE LEAVING?

I IGNORED THE SCURRY OF MICE IN THE BASEMENT. I TURNED A DEAF EAR TO SQUIRRELS IN THE WALLS. BUT FIDDLERS ON THE ROOF?! I HAVEN'T SLEPT IN WEEKS.
