HOROSCOPES

By Holiday

WEDNESDAY, FEBRUARY 17, 2016

ARIES (March 21-April 19). Warming up isn't just for exercise or hard work. Everything you do today will be better when you honor some kind of ramp up to the main action. Breathe, stretch, ease your way gently from one thing to the next.

TAURUS (April 20-May 20). A simpler life appeals to you. You see the elegance in having less stress, clutter and confusion. Furthermore, you're in a mood to make the hard choices about what to cut. Watch out, world!

GEMINI (May 21-June 21). Not only do you have a genuine love and excitement for the day's subject matter, you have a specific map for getting from point A to point B. Avoid kinks by working it through on your own once more before sharing.

CANCER (June 22-July 22). Stay frugal even after you get the means to buy the fancier version. Living on less than you make is wise, but living on much less than you make is true freedom.

LEO (July 23-Aug. 22). How well are your experiences building on one another these days? When you're living well, each experience transforms from or expands upon the last. When you're not living well, each experience repeats the last.

VIRGO (Aug. 23-Sept. 22). People show you, through their attention, how they think and feel about you. Are you satisfied with the quality of attention you are receiving? If the answer is "no," then today is a fine day to do something about it.

LIBRA (Sept. 23-Oct. 23). Youth has its own kind of reality. You'll be an energetic witness to this today with just the level of detachment necessary to enjoy the situation without completely buying into it.

SCORPIO (Oct. 24-Nov. 21). You'll come upon your opposite again and be at once fascinated, frustrated and intrigued by this person. Should you take things further? It may benefit you, but it won't get any easier.

SAGITTARIUS (Nov. 22-Dec. 21). You're not seeking dramatic change, but a few key refinements could up your entire game. That you're able to note subtle delineators is a mark of your good taste.

CAPRICORN (Dec. 22-Jan. 19). They'll bring you complexities and intricacies. You bring the practicality and quick solutions. This may very well be the most productive day you will have all month. You're a life whiz!

AQUARIUS (Jan. 20-Feb. 18). What you once thought was a natural progression now seems like an overly ambitious plan. That's because you're listening to skeptics. This is still within the realm of possibility; you'll need more help is all.

PISCES (Feb. 19-March 20). Privilege is costly. Whether or not the experience is really worth the cost is up to you. Chances are it's going to take you a good while to determine this. In the meantime, you're better off saving your money.

TODAY'S BIRTHDAY (Feb. 17). You'll put ideas into action this year, which is why, over the next six weeks, it is so important to test out those ideas and pull out the best ones. Let friends help you. Ask for public opinion. Take a vote. April and July are stellar opportunities to travel and gain influence. Music and love will fill your summer. Cancer and Taurus adore you. Your lucky numbers are: 5, 30, 2, 33 and 16.
