HOROSCOPES - By Holiday

TUESDAY, MARCH 1, 2016 ARIES (March 21-April 19). You may engage in bargaining without even realizing it, as there are deals to be struck that don't require any exchanging of words. Decisions will count; actions will speak. TAURUS (April 20-May 20). Be careful not to get caught in the middle of warring parties. There won't be a winning side, for starters. And when the two reconcile they will surely turn on anyone who was involved in the conflict. GEMINI (May 21-June 21). The laundry list of qualities to make up the perfect partner may go out the window as it becomes clearer to you what really matters now: namely, chemistry and compatible lifestyles. Have faith in your intuition. CANCER (June 22-July 22). Privacy is always your prerogative. Those who ask probably don't deserve to know, and you have no obligation to tell, either. Besides, loved ones respect you more when you reveal less. LEO (July 23-Aug. 23). It's not hard to be part of the good stuff now. You're aware; you look around; see what needs doing and act immediately. The simplicity of your choice will keep you in an exciting flow of life. VIRGO (Aug. 23-Sept. 22). There are certain issues you feel strongly enough to stand firm on, and therefore you're a few unbendable rules - the chief one of the day being to remain flexible in all matters at all times. LIBRA (Sept. 23-Oct. 23). If you don't yet have what it takes, don't worry; you will. Your ability will swell when the challenge at hand invites it to. This is especially true on an intellectual level. You'll grow smarter in a demanding learning environment. SCORPIO (Oct. 24-Nov. 21). Sometimes the deadline, bustle and hurry bring out the best in you, but not now. So go ahead and take off the pressure. Stroll through life instead of running around. SAGITTARIUS (Nov. 22-Dec. 21). Your teachers have been stellar, but that's not to say you couldn't use a few fresh influences. Peach out and you'll learn what you need to know to take your career to the next level. CAPRICORN (Dec. 22-Jan. 19). You're a natural-born cheerleader, inspiring and motivating all who come near, though most won't show it. In fact, you would never guess how energizing your support really is. AQUARIUS (Jan. 20-Feb. 18). Your intensity level may be too much for today's situation, so hold back. The restraint you show will be admired. Then, when the drama boils over, you'll still have plenty of energy left in you to carry on productively. PISCES (Feb. 19-March 20). Of course you want to succeed! The question now is, at what cost? Doing your best is one thing. Then there's the above-and-beyond efforts you could make. Would they be worth it? TODAY'S BIRTHDAY (March 1). You know that you deserve goodness and you gladly accept the bounty that drops into your life over the next six weeks. April brings a different kind of love. May features a reversal, and it likely has financial implications. Lifestyle moves don't have to be expensive. Find a more economic way and you'll be glad five years from now. Cancer and Virgo adore you. Your lucky numbers are: 1, 28, 33, 2 and 50.
