HOROSCOPES
—By Holiday—

THURSDAY, MARCH 3, 2016

ARIES (March 21-April 19). Progress will be thwarted by too many opinions. They can't all be right, and they can't all be wrong. You're the one to sort this out. There must be a consensus if the group is to move forward!

TAURUS (April 20-May 20). Showing off is never cool, and yet how are you going to let them know what you can do if you never perform it or even mention it? Today you'll walk that fine line between standing out and fitting in.

GEMINI (May 21-June 21). Some people complain to sound big, when actually it only makes them sound weak, insecure and ill-equipped to do what it takes to make a situation work. As far as you're concerned, complaining is a red flag.

CANCER (June 22-July 22). There's a score to even. The other person might not think so, but you have your own way of accounting, and in your book, things won't be quite right until you execute a certain chain of action.

LEO (July 23-Aug. 22). If it can be done, you'll find a way to do it. Whether or not it's worth doing, well, that part might be out of your hands, as an authority figure is likely to request much that falls under the category of "your job," whether you like it or not.

VIRGO (Aug. 23-Sept. 22). People want to know about you, but you're feeling shy and perhaps inclined to avoid the subject of you altogether. It would be a mistake to let the day slip by without revealing at least a little about your remarkable life.

LIBRA (Sept. 23-Oct. 23). Bottom line, this certain someone sees something different in you. You're attractive in your uniqueness, and if you continue to be so intriguing you'll soon gain a fan for life.

SCORPIO (Oct. 24-Nov. 21). A sacrifice will prove that you're committed. But if you give too much, this will backfire on you. Over-giving could be taken as a sign that you care more about what the other person thinks of you than you care for yourself.

SAGITTARIUS (Nov. 22-Dec. 21). You know what you're doing and where you're going. You'll find the way, the alternate way, the scenic route and the shortcut. And you'll generously help anyone else headed in the same direction as well!

CAPRICORN (Dec. 22-Jan. 19). When you come up against someone's pride, go gently. Keep in mind that this person may feel like he or she is fighting for life itself. That's the power of ego. Pride is all some people feel they have.

AQUARIUS (Jan. 20-Feb. 18). Not feeling quite as driven? The break from ambition will be healthy for you. Bonus: If you just go along for the ride, you'll wind up at the same destination as you would if you were in the driver's seat.

PISCES (Feb. 19-March 20). Improvement will be simple for you. Name the problem and solve it. If it's too big, make it smaller. If it's still too big, make it smaller still, until it's small enough to solve.

TODAY'S BIRTHDAY (March 3). More attention, respect and money are coming your way over the next seven weeks. You'll put your money where your heart is this month, buying into only what contributes to your happiness and health. The social calendar heats up in May and a tight relationship forms. December shows you paying dues; it will pay off in 2017. Libra and Sagittarius adore you. Your lucky numbers are: 7, 49, 23, 41 and 17.
