**HOROSCOPES**

—By Holiday—

FRIDAY, MARCH 4, 2016

**ARIES** (March 21-April 19). You are the invincible, all-powerful, benevolent warrior. You're also the mild-mannered opposite, content to blend in with society until it's clear that the people around you need heroic help.

**TAURUS** (April 20-May 20). You want to make sure that you're delivering all you can, doing your best, providing more quality than the other guy. A less analytical approach will serve you well. Once you relax, you'll do even better.

**GEMINI** (May 21-June 21). Bad times produce bad feelings, which produce bad times, etc. etc. The same pattern will play out with times that are good, exciting, interesting and more. Decide which tone you want to play in, and start playing.

**CANCER** (June 22-July 22). If it all goes exactly as planned you'll start to fall asleep mid-action. Alternately, a plan that goes awry can be just the beautiful bit of chaos you need to turn a regular day into a story.

**LEO** (July 23-Aug. 22). In business, "no" isn't a bad answer, especially if it happens to come right on the heels of the question. It's much better to get a fast "no" than a "maybe" that wastes your time by dragging on indefinitely.

**VIRGO** (Aug. 23-Sept. 22). You're thoughtful, playful and artful. You add your style to every interaction, which is so attractive. Take your time. Enjoy yourself. The others certainly are.

**LIBRA** (Sept. 23-Oct. 23). Nothing happens randomly. Even tropical storms are organized. Your strong intention will act as an organizing force. Everything fortuitous that happens will occur as a result of good organization.

**SCORPIO** (Oct. 24-Nov. 21). The language of love is humor. Make someone laugh and you'll win that person's heart, attention and affection. You may even win devotion, dollars and a permanent spot in the inner circle.

**SAGITTARIUS** (Nov. 22-Dec. 21). The good news you'll hear is actually an iceberg situation: The part that is readily apparent above the water is a mere implication as to the 90 percent of massive goodness that lies beneath.

**CAPRICORN** (Dec. 22-Jan. 19). It used to be that you had to force yourself to look on the bright side. Then you coerced yourself for a while until gradually all you had to do was suggest it to yourself. Now optimism is easy; all you have to do is choose it.

**AQUARIUS** (Jan. 20-Feb. 18). What's favored: finishing the unfinished business, righting a past wrong, turning the tables, flipping the switch and making a fast change. What's not advised: waiting.

**PISCES** (Feb. 19-March 20). You support your friends, show up to their events, celebrate their victories and give help when they need it, too. Much of your weekend may be taken up in this regard, and it will be time well-spent.

**TODAY'S BIRTHDAY** (March 4). You have fans and more attention than you're used to! The person you find most interesting is the one who is genuinely fascinated with you. The next 10 weeks show you getting a work project into major shape. You may sell this in June. Family moves affect your domestic life. July brings a fantastic makeover. Gemini and Taurus adore you. Your lucky numbers are: 42, 25, 1, 19 and 37.

SATURDAY, MARCH 5, 2016

**ARIES** (March 21-April 19). The reason there is now a silent force field growing around you is that you've decided on a certain goal. You're going to need more energy to accomplish this, and your environment is rearranging itself to accommodate.

**TAURUS** (April 20-May 20). There's an art to pleasure. How can you bump it up to the next level, so you're not only enjoying whatever leisure time you have; you're reveling in the sweetness of it?

**GEMINI** (May 21-June 21). Your energy will be quieted through emotional control and physical discipline. This in no way dampens your spirit. If anything, everyone experiences your vibrancy because there is less interfering with it.

**CANCER** (June 22-July 22). You don't have to cut people out completely just because they wave red flags at you; however, it would be foolish to ignore this. Collect the flag and stick it in your pocket. Hold on to it so you don't forget.

**LEO** (July 23-Aug. 22). Endings may be challenging for you now. Conversations will rattle on. Project details will ceaselessly stream in. Guests will be impossibly slow to leave. Maybe you just don't want to say goodbye!

**VIRGO** (Aug. 23-Sept. 22). Your memory may not serve the honest-to-goodness facts very well, but it will serve the emotional truth of things. Glance back and let that inform you, but don't dwell there.

**LIBRA** (Sept. 23-Oct. 23). The more you express, the more you open yourself up to criticism. How much is too much? It depends on your desired result. Before you present your side of things, give your project deep thought and make a strategic plan.

**SCORPIO** (Oct. 24-Nov. 21). That thing you wished for long ago has yet to come to fruition. If this one is ever to see the light of day it will be granted through your own sweat and clever dealings. Are you ready to work on it again?

**SAGITTARIUS** (Nov. 22-Dec. 21). You're likely to be needlessly hard on yourself, perhaps because you keep comparing what you're doing to some glamorized and possibly completely fake version. Meanwhile, you're impressive without trying.

**CAPRICORN** (Dec. 22-Jan. 19). Your friend matches your sensibility in some areas and then loses you completely in other areas. Quite frankly, you may be happy to be "lost." The important thing is to celebrate where your interests overlap.

**AQUARIUS** (Jan. 20-Feb. 18). You have the right contacts, but you're not utilizing them to their best potential. When you dial this in, everyone will benefit. Put thought and conversation to the subject of how you and yours can better serve one another.

**PISCES** (Feb. 19-March 20). No, you are not imagining it. Someone is flirting with you. How you handle this surprise twist will have a profound impact on your social schedule in the weeks to come.

**TODAY'S BIRTHDAY** (March 5). Give thanks in advance for the astounding good fortune coming to you this year -- the pre-show gratitude will not only reinforce your faith but also make you 10 times luckier. You will break through the limits of what you thought you could do in June and August. The financial boon will come in September. Pisces and Virgo adore you. Your lucky numbers are: 14, 9, 35, 37 and 41.
