HOROSCOPES

By Holiday

THURSDAY, MARCH 10, 2016

ARIES (March 21-April 19). Yesterday you felt determined; today the motivation wanes, which is actually a good thing! It will help you move to the next ideas, which will be packed with potential energy.

TAURUS (April 20-May 20). No one is better at being you than you are. It's funny how people will try to be, though. Today they'll tell you what you should do, how you should feel and whom you should love. It's ridiculous really. Your best move? Ignore them.

GEMINI (May 21-June 21). It feels like the doors of the banquet of life have been opened to you on what just happens to be the first day of your new diet. Believe it or not, it may be quite satisfying to take in the visual promise without "feating," for now.

CANCER (June 22-July 22). When sweet nothings are whispered between lovers, don't forget that it's the "nothings" that make the sweetness possible. You'll enjoy the buoyancy of anchor-less relationships. Love levitates.

LEO (July 23-Aug. 22). Extremely creative people such as you have been known to find it difficult to stick to one idea and see it through to the end. That's why learning with a Taurus, Virgo or Capricorn will be a very wise move today.

VIRGO (Aug. 23-Sept. 22). You're now ready to explore territory that's been previously off-limits or unknown. The boldness you feel will ebb and flow through this process, so make the most of today's surge!

LIBRA (Sept. 23-Oct. 23). The person who dares to poke at that little piece of insecurity you've had hidden away is in for a big response. Most likely, that response will be laughter! Even if it's uncomfortable at first, it feels good to be seen more completely.

SCORPIO (Oct. 24-Nov. 21). You and a certain someone used to be an item and now you're hardly even a thing. That's the natural path of some relationships. You'll work extra hard now to make sure one special tie doesn't wind up in the same category.

SAGITTARIUS (Nov. 22-Dec. 21). You're in unknown territory, but don't let this stop you from moving. The only way to learn this area is to travel through it. If you have to go slowly, it's fine -- as long as you go.

CAPRICORN (Dec. 22-Jan. 19). If you can prove your superiority over your former self, this makes you very happy. That's why, whatever is asked of you, you'll give more and you'll give better than you did before.

AQUARIUS (Jan. 20-Feb. 18). Truly, your abilities are developing beyond your expectations. You will tend to get most things right from the start today. Don't let this spoil you, though. It's not a fluke, but it's better if you treat it as if it were one.

PISCES (Feb. 19-March 20). Over the years you've built protective layers around your heart, which is only smart, wise and prudent. However, it's also inconvenient -- that is, unless you also build a door, give it a lock and give someone else the key.

TODAY'S BIRTHDAY (March 10). You've excellent taste! This isn't just about making choices that fit your aesthetic. It's also about letting yourself be guided by your attractions and using experience to navigate to the choices you can really work with. Your heart call will be answered in April. Highlights will be monetary in May and August. Capricorn and Sagittarius adore you. Your lucky numbers are: 7, 4, 33, 39 and 41.
