WEDNESDAY, MARCH 16, 2016

ARIES (March 21-April 19). You're too worried about making the right move. Don't think so hard on this one. There will be genius that shows up inside of your action, but you have to take it first to find out. Trust yourself. Move.

TAURUS (April 20-May 20). Follow your intense desire to figure things out. You won't be able to, not in one day anyway, but that's not the point. Being involved in the puzzle will connect you with others. (SET ITAL) That (END ITAL) is the point!

GEMINI (May 21-June 21). There's someone who makes you feel funnier and more confident. It's no surprise that you want to be around this person. Why wouldn't you want to be around the person who brings out your maximum awesome?

CANCER (June 22-July 22). Do you find it strange that your subconscious mind isn't thinking about anything and yet it's totally in control? You'll see evidence of this, and it will inspire you to stop with the over-thinking. Believe that you're enough. You are!

LEO (July 23-Aug. 22). Someone is putting on a show just for you. If you don't think this is true, try walking out of the room and see if that doesn't stop the action. Hopefully you'll find this all to be quite flattering.

VIRGO (Aug. 23-Sept. 22). People will want you to weigh in on their lives. It's not like they can't make a decision without you; it's just that they prefer to do it with you. More than anything, they crave your attention.

LIBRA (Sept. 23-Oct. 23). The truth of the matter is that you're doing a job that's really not your responsibility. You said you would, though, and that is reason enough to follow through. You'll be lucky when you do.

SCORPIO (Oct. 24-Nov. 21). You feel like your life is an open book, but there's more mystery around you than you might have guessed. Keep it that way for a while! Someone is just getting to know you and you can have some fun with this!

SAGITTARIUS (Nov. 22-Dec. 21). When you don't like the way a situation is going, throw on the brakes immediately. You're so creative now that you'll be able to come up with several alternatives. Be bold.

CAPRICORN (Dec. 22-Jan. 19). You've an excellent eye for detail. Put in the time it takes to make things look and feel exactly how you want. Believe it or not, being fussy and specific will be very lucky for you.

AQUARIUS (Jan. 20-Feb. 18). Your attention will be yanked back to something that seems, upon a cursory look, to be innocuous enough. Something about it isn't quite adding up. Pay attention. If it doesn't feel right, it's not right.

PISCES (Feb. 19-March 20). Why haven't you forgiven yourself yet? The real problem isn't that you messed up; it's that you're not letting yourself move past it. Just let go. There's no reason to be this hard on yourself.

TODAY'S BIRTHDAY (March 16). You read the hearts and minds of those close to you. You can sense even the quietest anger, fear, joy and elation. You'll employ this skill to make a relationship truly great. A professional advance will lead to a better living situation. You'll make a substantial purchase in July. Your family will grow in September. Cancer and Virgo adore you. Your lucky numbers are: 4, 39, 20, 11 and 14.
