THURSDAY, MARCH 17, 2016

ARIES (March 21-April 19). There's a sense of normalcy restored in a very unusual relationship. This will be a relief. Now that things are relatively calm, you will be better able to concentrate on important work.

TAURUS (April 20-May 20). If you are too focused on results, you'll miss the best part. Keep your eyes and heart open, especially in the early evening. Note that someone needs you more than he or she is letting on!

GEMINI (May 21-June 21). You need a better system of accountability. Don't wait to see what happens – take action now. Make a bet with someone who will show you no mercy. This is how you'll get things done.

CANCER (June 22-July 22). You've cultivated quite a good crew of emotional supporters. You don't have to wait until you really need them to lean in and test the strength of this. Call out to your people! You'll love how they echo your mood today.

LEO (July 23-Aug. 22). There's so much to be happy about in your life right now. Make a list of it to help you remember better when things get hectic this afternoon. The more grateful you feel, the more powerful you'll be. Tap into that!

VIRGO (Aug. 23-Sept. 22). You don't feel like you're having a better way to do it. Investigate your whims. This is what will lead you to find the people who can help you.

LIBRA (Sept. 23-Oct. 23). There are so many people who want to hang out with you. Be choosy. You can afford to be. Plus, there's absolutely no reason you should place yourself in the company of people who bring you down.

SCORPIO (Oct. 24-Nov. 21). You know how to take care of yourself, but you don't always do it. Well, that's going to have to change. It's not just about you, you know. Your loved ones are also better off when you're operating at the top of your game.

SAGITTARIUS (Nov. 22-Dec. 21). You include everyone, even if you're not sure they're going to like each other or have much in common. You'll be surprised at the ways people from different parts of your life might connect.

CAPRICORN (Dec. 22-Jan. 19). You're trying to help someone else but it keeps turning out the same way – you're the one getting helped! It's like no matter how selfless you get, the benefits still find you.

AQUARIUS (Jan. 20-Feb. 18). You don't do anything half way. Knowing this about yourself will make you slow to commit today. You really understand the full scope of a job and that's why you're not sure you want to take it on.

PISCES (Feb. 19-March 20). That person who needs so much from you now is afraid of underperforming or not being enough to attract your undying love. Whatever you do to ease this person's mind will be worth the effort.

TODAY'S BIRTHDAY (MARCH 17). You'll feel like you don't now what you're doing, but your instincts are hot. When you follow through without hesitation or doubt, something beautiful happens! April involves you in a new team. You'll exchange promises with a loved one in May. The travel you do in July and October will help you make money in 2017. Leo and Taurus adore you. Your lucky numbers are 40, 33, 21, 7 and 14.
