HOROSCOPES

By Holiday

SATURDAY, MARCH 19, 2016

ARIES (March 21-April 19). Humor is magic. If you don't have enough laughter in your life, you don't have enough magic. The funny people you know are golden treasures, and you will treat them as such because you're an emotional genius.

TAURUS (April 20-May 20). Social graces are so much more important than they seem. Reach out to that shy person. It's not that big of a deal for you, but it will be huge in the other person's lens.

GEMINI (May 21-June 21). Go ahead and orient yourself to your own needs. This isn't the least bit selfish, you know. It's actually smart, and you're doing someone else a favor by providing for yourself.

CANCER (June 22-July 22). If you didn't make the kind of impression you wanted to make on someone, you'll get a second chance. So think about it this time -- exactly what are you going for?

LEO (July 23-Aug. 22). The talkers will annoy you. It's because this isn't your nature. You can't see the point in talking a good game. In fact, you prefer not to talk at all as you get down to whatever it is you need to do to produce your deliverables.

VIRGO (Aug. 23-Sept. 22). The other person clearly isn't asking what can be done to help you out. Maybe it's because you're so self-sufficient. Anyway, if you want help, you're going to have to ask directly for exactly what you need.

LIBRA (Sept. 23-Oct. 23). You have the best ideas, and perhaps you'll have more of these ideas than others know what to do with. Keep track. Write things down and you can figure out your presentation later.

SCORPIO (Oct. 24-Nov. 21). Stress isn't attractive or interesting to others. That's why you never lead with how "stressed out" you are, even if it happens to be true. Being fun is harder than being anxious, but you make the effort and get the payoff, too.

CAPRICORN (Dec. 22-Jan. 19). Don't accept the pressure someone is putting on you. For the pressure to be real, you both have to agree to it. Don't agree and it goes away. It's really as simple as that.

AQUARIUS (Jan. 20-Feb. 18). The one who says sorry is actually listening to the waters. Listen between the lines. Is this an apology or a way to find out where the boundaries are?

PISCES (Feb. 19-March 20). Romance, for all its beauty, also has the effect of threatening your comfort zone. You're grappling with this in your mind, trying to figure out how far you're willing to stray from the pleasantness you're used to.

TODAY'S BIRTHDAY (March 19). You don't have to take physical risks to prove that you're brave. Yours is a different sort of courage. You're willing to let someone know you. You're willing to be vulnerable, and to be bad at things for the sake of your own learning and development. Passionate love and popularity are part of your cosmic birthday gift. Capricorn and Aquarius adore you. Your lucky numbers are: 46, 17, 27, 38 and 44.
