PHOEBE AND HER UNICORN

BY DANA SIMPSON

I shall take two cards.

You have a tell.

Of course I have a tail.

But your tail is also a TELL.

And my nose is a nose. What is your point?

Your TELL is how I know what kind of cards you have.

You cannot read my mind via my tail! My brain is at the other end entirely.

FOLD.

Drat! I had good cards!

Yeah, something told me that.

You are just jealous of my tail.
