By Holiday

FRIDAY, MARCH 25, 2016

ARIES (March 21-April 19). Compassion isn't a feeling so much as an action. You have no problem showing people care and love through your action, but you sometimes forget to show yourself the same. Don't just love yourself; demonstrate it.

TAURUS (April 20-May 20). Some say the future is created by dreams. Being the earth sign that you are, you can help but retell that nature seems to have a substantial hand in it. Your skill today is in melding your vision with nature.

GEMINI (May 21-June 21). Danger! A perfectly lovely time is vulnerable to getting hijacked by an attention hog. Help the socially needy but don't indulge them! Save the day by doing something to spread the attention more equitably.

HOROSCOPES

FRIDAY, MARCH 25, 2016

ARIES (March 21-April 19): Compassion isn't a feeling so much as an action. You have no problem showing people care and love through your action, but you sometimes forget to show yourself the same. Don't just love yourself; demonstrate it.

TAURUS (April 20-May 20). Some say the future is created by dreams. Being the earth sign that you are, you can't help but refute that nature seems to have a substantial hand in it. Your skill today is in melding your vision with nature.

GEMINI (May 21-June 21). Danger! A perfectly lovely time is vulnerable to getting hijacked by an attention hog. Help the socially needy but don't indulge them! Save the day by doing something to spread the attention more equitably.

CANCER (June 22-July 22). Someone will point out a mistake you made, and you'll appreciate this for the gift it is. The good thing about accepting your faults as real is that it also helps you embrace the reality of your talents and virtues.

LEO (July 23-Aug. 22). Someone will find your conversation delightful today, and for good reason. For starters, you're confident enough to punctuate your statements with flashes of silence. More importantly, you've a genuine interest in others.

VIRGO (Aug. 23-Sept. 22). Sometimes, when people are with you, they want to be your best friend. And then time passes and you don't hear from them. The intention is still in heart, but logistics can be hard to work out. This weekend will work them out for you.

LIBRA (Sept. 23-Oct. 23). Each person in your inner circle of loved ones sees you in a different, but similar way. Someone on the outside will see something very different in you. You'll be surprised and inspired by this point of view.

SCORPIO (Oct. 24-Nov. 21). When faced with the choice between making (SET ITAL) them (END ITAL) happy and making (SET ITAL) you (END ITAL) happy, choose you. Chances are, they will too once they learn more about you. Right now they just don't know enough!

SAGITTARIUS (Nov. 22-Dec. 21). You attach feelings to objects. Whether functional, sentimental or inspirational, there's definitely a positive vibration jumping off of most of the things around you today. And when that's not true, you'll clean house.

CAPRICORN (Dec. 22-Jan. 19). Life is forcing you to get more organized and you certainly don't mind the challenge. In fact, in the end you'll be glad you had a reason to change some of your methods of management in this regard.

AQUARIUS (Jan. 20-Feb. 18). Once again you're in the mood to be impressed. You may have to change venues in order to find the "wow" factor you're looking for, if only because familiarity has blinded you to "wow" in close vicinity.

PISCES (Feb. 19-March 20). The people you know make up a very narrow sector of the world. Even though their way of doing things seems common, on the global scale it really isn't. So if you have other ideas, do try them out!

TODAY'S BIRTHDAY (March 25). When torn between practical concerns and adventurous impulses, choose the adventure, so long as it's a plan that speaks to your heart and not the expectation of another. April brings work you'll love. A major purchase in May will give you the space you need to create ease in an area of life where you've felt stifled. Scorpio and Leo adore you. Your lucky numbers are: 1, 20, 41, 33 and 48.
