HOROSCOPES

TUESDAY, MARCH 29, 2016

ARIES (March 21-April 19). Brilliance in any area of life usually comes off as effortless to those who don't know any better - but you're not fooled. You know the work that goes into navigating complexities, and you're willing to do it.

TAURUS (April 20-May 20). There are planners, and then there are "panthers," who prefer to throw themselves in and sort things out as they go. Such people will frighten you today until you join them in their moment-to-moment approach.

GEMINI (May 21-June 21). Mental pursuits ignite your energy, though you usually don't seek them out directly. Today these pursuits will be byproducts of your social agenda, which will center on getting the undivided attention of a certain someone.

CANCER (June 22-July 22). Even the most exciting, jet-fueled relationships must touch down to earth once in a while to refuel. Don't take the slowed pace as a personal slight, because it's actually necessary to the overall momentum of the relationship.

LEO (July 23-Aug. 22). You will simultaneously succeed at more than one important endeavor, making you the envy of your friends and colleagues. In fact, to avoid unwanted complication, you may want to keep your successes to yourself.

VIRGO (Aug. 23-Sept. 22). You will privately send your respect, affection and admiration to perfect strangers and this will boomerang back to you, as usual. The way you think about others is the way you think about yourself.

LIBRA (Sept. 23-Oct. 23). Of course you prefer to deal with the trustworthy, but sometimes that's not an option and you have to go forward anyhow. Not today. Today you can't afford to bother with those who inspire doubt in you.

SCORPIO (Oct. 24-Nov. 21). Usually you naturally connect with like-minded people, but because your interests and values are shifting, you will have to take a more deliberate, conscious approach to finding the people you wish to circulate among.

SAGITTARIUS (Nov. 22-Dec. 21). Grudges harm most the one who holds them. For this reason you'll let your grievances go. Another good reason is that you're way too busy today to waste time remembering what you're supposed to be bothered about.

CAPRICORN (Dec. 22-Jan. 19). You'll be asked to speak for the group, so be sure you know what the group wants to say. You'll be given full access to a public forum in which to communicate your ideas and start a ball rolling.

AQUARIUS (Jan. 20-Feb. 18). You find your path to happiness by following the spark of curiosity that ignites in you this morning. Given that pursuit, and your keen awareness of everyday beauty, this day will bring smiles by the dozens.

PISCES (Feb. 19-March 20). The friend who helps you see yourself the way others do is a treasure. If this person also possesses a kind, gentle way of delivering information, cherish this relationship, which is more valuable than gold.

TODAY'S BIRTHDAY (March 29). You begin this solar journey with a big goal in mind, though you'll wind up at a very different (and much better for you) destination than the one you had planned. Children and elders make your life rich in the next three months. July plays out like a far-fetched story. September brings a work-related move. Sagittarius and Leo adore you. Your lucky numbers are: 5, 41, 39, 7 and 33.
