HOROSCOPES

By Holiday

FRIDAY, APRIL 1, 2016

ARIES (March 21-April 19). The one who makes you feel that you must perform in order to earn love is not really giving love at all; that person is rewarding you for fulfilling a personal need, which has a lot more to do with utility than love.

TAURUS (April 20-May 20). You would prefer to be adored by the one you adore. Who wouldn't? This would make life candy-sweet indeed. However, it should also be noted that such a dynamic is not in any way necessary to your happiness.

GEMINI (May 21-June 21). It's not like you to overlook the crucial role that pleasure plays in life, and yet lately you've denied some of the things that please you. Now it's time to assess: Was the reason for that denial really good enough?

CANCER (June 22-July 22). Your secret is safe with you -- and that's about it today. Even your best friend can't be totally trusted with sensitive information. If you write it in your diary, use a code. Everyone is interested in you these days!

LEO (July 23-Aug. 22). The answer to one problem is the seed of another problem. For this reason, refrain from solving everything right away. It's a good time to think it over, let it ride or just plain stall for a better time.

VIRGO (Aug. 23-Sept. 22). Someone has given time, effort and money in hopes that you would advance along certain lines. You've bettered your position, but you still have a ways to go. Keep going; you'll make your team proud.

LIBRA (Sept. 23-Oct. 23). Before you put your money on the best, strongest and most qualified, consider that anyone can have a good day. Sometimes the worst horse takes the gold cup. Such an event will simultaneously restore and rock your faith.

SCORPIO (Oct. 24-Nov. 21). You probably won't stay accountable to your own set of rules. It's not weakness. There's just too much going on for you now. If you need to keep the rule, get more people involved in it. They'll hold you accountable.

SAGITTARIUS (Nov. 22-Dec. 21). You'll be there for the person who is hurting. It's likely you could pick up some residual emotional pain if you're not careful, so be sure to protect yourself. Practice excellent self-care before, during and after.

CAPRICORN (Dec. 22-Jan. 19). What you're striving for will be a lot of trouble. Some would define it as "just one thing after another." Well, that's precisely what you like about the situation. It's riddled with the challenges that make you better.

AQUARIUS (Jan. 20-Feb. 18). You feel driven to put your ideas in front of a crowd even though the idea of doing this gives you emotional tremors. This is just the kind of contradiction that is making someone fall in love with you.

PISCES (Feb. 19-March 20). When roused by feelings of imitation, consider that such a reaction is usually as disturbing an energy as the original thing that caused it. An unwanted situation will be dissolved with a calm approach.

TODAY'S BIRTHDAY (April 1). Creative juices flow now! You will diversify your social interests. The two groups might not blend together well, but each in their separate way will enrich you. A fresh assignment in May will bring fast success. In June your life becomes easier with the improved behavior and performance of those who account to you. Love signs are Gemini and Libra. Your lucky numbers are: 41, 27, 5, 15 and 42.
