HOROSCOPES

By Holiday

TUESDAY, APRIL 5, 2016

ARIES (March 21-April 19). When it comes to following your heart's desire, there's no such thing as being too old to start or too young to start. It's the happiness of your heart that counts, not the age of it.

TAURUS (April 20-May 20). It's not a day for putting up with your own trepidation. The minute you feel yourself hesitate, push yourself to dive into the thing that gives you pause. Face the fears now while they are still small.

GEMINI (May 21-June 21). The candy colors of this environment were exciting to you at one time, but you've matured. Now you want to interact in a place with more to offer. You're looking for variety and depth. You'll find it, too.

CANCER (June 22-July 22). Fast fixes, succinct answers and brief interactions rule the early day, because you've something juicy to get to - something you'd like to savor in slow motion.

LEO (July 23-Aug. 22). A lot could happen: a lot might happen. Playing the odds is smart today, and the odds are against those "coulds" and "mights." Focusing on what (SET)ITAL is (END ITAL) happening will be lucrative and satisfying.

VIRGO (Aug. 23-Sept. 22). Overcoming the fear of rejection is a simple process. All you have to do is get rejected a few times so you no longer fear it. The timing couldn't be more perfect, as the stars favor personal risk.

LIBRA (Sept. 23-Oct. 23). You don't always get the laughs you're going for, which is why you so appreciate how you're able to deliver levity now. You are far more entertaining than you might suspect! Your stories help others develop a better sense of humor.

SCORPIO (Oct. 24-Nov. 21). Your success is closely linked to confidence. Maybe you can't entirely fake being sure of yourself, but the fact that you try is enough. Believing in your ideas will be half the battle. Convincing the others will be the other half.

SAGITTARIUS (Nov. 22-Dec. 21). You have the attitude of a hard worker, and so you'll be able to handle whatever job comes up. Whether or not it's within your jurisdiction or expertise is beside the point really.

CAPRICORN (Dec. 22-Jan. 19). Children (and those who behave as such) respect you greatly, and yet something stubborn and innate will have a few of them pushing the boundaries anyway. Keep cool and enforce your position as you said you would.

AQUARIUS (Jan. 20-Feb. 18). You would prefer to travel comfortably, first-class if possible; who wouldn't? And yet, that comfort comes with such a high cost today (spiritually and financially) that it will be worthwhile to take the "coach" alternative.

PISCES (Feb. 19-March 20). You feel as though you are standing on the precipice of something grand, overwhelming and dangerous. You're above this, but you're not the master of it. Do not let it mesmerize you away from your firm footing.

TODAY'S BIRTHDAY (April 5). Your solar return will give you the courage to let go of what's holding you back. If you still don't realize what exactly that is, you'll learn in the next three weeks. You'll gain access to an exclusive world in May. June brings a new way of running your daily life. An audacious long-term goal will be realized in August. Aquarius and Taurus adore you. Your lucky numbers are: 20, 44, 47, 3 and 17.
