HOROSCOPES
By Holiday
WEDNESDAY, APRIL 6, 2016
ARIES (March 21-April 19). In order for you to meet your very reasonable goal for the day, you must make a goal that is almost twice as ambitious. Reasonable goals are not enough to inspire you now, although you'll hit them on the way to unreasonable goals.
TAURUS (April 20-May 20). Once you start noticing and calling out the good moments, they begin accumulating and building on each other, until you have so much to be grateful for you can hardly believe your good luck.
GEMINI (May 21-June 21). You're attracted to those with needs that can't be fulfilled by just anyone. You have an inkling that you're the one for the job, though you may not yet be qualified. You'll learn by jumping in to help.
CANCER (June 22-July 22). You'll be the rock. When some around you get overly emotional, you provide objectivity, stability and reason. Save the problem-solving for later when they calm down and can hear you above the din of emotional unrest.
LEO (July 23-Aug. 22). Lucky for you, most people will be too concerned with their own dramas and insecurities to pay much attention to what you're doing. This will liberate you to explore, experiment and develop your ideas to your heart's content.
VIRGO (Aug. 23-Sept. 22). You stick to your own rules. If it's a "no-go" zone, then you don't go there. Because of your example, others will hold themselves to a higher standard, too, which you may notice - while maintaining that it's none of your business, of course.
LIBRA (Sept. 23-Oct. 23). You're so loved. Sometimes you forget how much. You also forget how good it is to be held in such high esteem, given a special place in the hearts and lives of those who are deeply invested in your happiness. Cherish them!
