HOROSCOPES

—By Holiday—

FRIDAY, APRIL 8, 2016

ARIES (March 21-April 19). Go at the project with a mix of two parts logic and one part intuition. Why so heavy on the logic? Well, you don't want to discount your inner knowing, but you need to test and measure extra carefully on this one.

TAURUS (April 20-May 20). You're kind to the one who is kind to you, and you're also kind to the one who is not. This is further proof (if ever you needed it) that kindness is who you are, and not the means to an end.

GEMINI (May 21-June 21). Your optimism, based on nothing at all, is nonetheless wholehearted. This blind and buoyant optimism is the best kind of optimism you could have today, and you will be richly rewarded for your faith.

CANCER (June 22-July 22). Just because you hold a certain belief for many years, that does not make it automatically true. But because this belief has been with you so long, even when you declare it false, it will take some time to fall out of the rotation.

LEO (July 23-Aug. 22). Keep the receipts, because there's a good chance there will be some returns later. This isn't about making mistakes; it is about getting closer and closer to the very specific answer to your problem.

VIRGO (Aug. 23-Sept. 22). A feeling about a special relationship will come over you this weekend. It may even seem to you that the whole universe exists just to bring this magic combination together.

LIBRA (Sept. 23-Oct. 23). Nope, it's not your imagination. You are being tested, and even scored in some way. When you do well, you'll be let deeper into a situation or relationship. This is where all the gold is, by the way.

SCORPIO (Oct. 24-Nov. 21). Irritants can come in many forms: perfumes, pollen, people. Ultimately, it doesn't matter what or who is to blame. You still have to rise above the irritant. Tolerance will set you free.

SAGITTARIUS (Nov. 22-Dec. 21). Your physical sensations are important, but not overly so. Be careful not to magnify their impact on the situation at hand. You'll make gains by being tough, able and focused on the bigger picture.

CAPRICORN (Dec. 22-Jan. 19). The worry is positive if it causes you to make an action plan. For that matter, mistakes can be positive, too, and so can arguments. Forward momentum will be caused by disruption.

AQUARIUS (Jan. 20-Feb. 18). There is more around to cause alarm than ham. Resolve not to let yourself get so apprehensive that it keeps you from the excitement of exploring exciting new avenues.

PISCES (Feb. 19-March 20). The grass grows all by itself. Good! You appreciate this landscaping development, but you also know better than to waste your precious energy focusing on what is out of your control.

TODAY'S BIRTHDAY (April 8). This will be an ambitious time for you, as you see gleaming potential in a situation that's just out of your reach. Education will close the gap. Put your time and money into that in June and don't stop until you have the certificate in your hand. You'll take a road trip, meet like minds and find much inspiration in August. Libra and Pisces adore you. Your lucky numbers are: 13, 2, 41, 48 and 37.
